

04 WINDSOR by Monaco

04 WINDSOR
A HERITAGE OF EXCELLENCE.

LUXURY. STYLE. PERFORMANCE. YOU WANT IT ALL.

Meet the 2004 Windsor. If your taste for the finer things leads you in search of excellence, you've come to the right coach. As you'll see, there's no end to its comfort and styling. You'll choose from some of the most innovative floorplans in the industry, including triple and quad slide-outs and an exciting bath-and-a-half model. And you'll customize it with your choice from six beautiful styles of woodwork and seven stunning interior decors — including two that feature fabrics by Ralph Lauren.

① The stylish Windsor **LIVING ROOM** offers space and comfort to relax and watch the 24" stereo color TV with remote control. Also available is the optional 30" flat screen LCD TV with speakers wired through the ceiling for optimal audio performance. The 38PST living area is shown with Sienna fabrics and Stained Cherry woodwork.

② Throughout the coach, you'll be impressed by the high quality of the woodwork. The cabinets feature solid wood square raised panel doors with satin nickel hardware, and new **CROWN MOLDING** adds a touch of elegance in the living area and bedroom. Shown here is the 38PBDD living room/kitchen in Garland with Natural Cherry woodwork.

1

IT'S TIME TO TAKE THE WHEEL.

Slip into the pilot's seat behind the beautiful dash with burl instrumentation panel and lighted VIP Smartwheel®. Adjust the accelerator and brake pedals to the best position. And relish the safety and convenience of a color rear vision system with audio, audible turn signals, and power sunvisors. Exciting high-tech options this year include the OnStar® mobile assistance system and a GPS with color monitor, stereo and 8-disc CD player, and Sirius® satellite radio system (requires subscription and is not available with the GPS option).

2

1 The coach is equipped with the remarkable **ALADDIN VIDEO COACH SYSTEM**, allowing you to easily check fluid levels and tank capacities and track important trip information.

2 Enjoy the beauty of the cockpit's tile entry. Plus, the convenience of the **CO-PILOT CONSOLE**, featuring a handy snake light, fire extinguisher, map, and cup holder.

THE WINDSOR KITCHEN.

In the kitchen area, you're welcomed by the exquisite styling of polished radius solid surface countertops and top-of-the-line appliances. The integrated solid surface sink has two covers and features a pull-out faucet and a separate faucet for filtered water. Some thoughtful storage spaces include a pantry, built-in wastebasket storage, and a four-compartment drawer organizer. Equally thoughtful is the kitchen's rope lighting, which enhances safety and aesthetics. Polished ceramic tile flooring adds a sophisticated finishing touch, or you may choose the option of beautiful laminated Wilsonart® plank flooring.

①

Our legless **DINETTE** table offers the ultimate in versatility. It features a beautiful solid surface top and is adjustable in length. And you'll enjoy the comfort of two upholstered chairs and the convenience of two additional folding chairs.

IT'S TIME TO BE TREATED LIKE ROYALTY.

This is a coach that anticipates your every need. The bedroom embraces you with the sophisticated styling of its plush fabrics, crown molding and hardwood headboard slide-out fascia with tile and fabric detail. You'll find room for everything in the large mirrored wardrobe and roomy overhead cabinets, as well as in the dresser and nightstands with solid surface tops. Other highlights include decorative lighting and a 20" stereo TV with remote control.

① | *The Windsor 38PST **BEDROOM**, shown with Sienna fabrics and Stained Cherry woodwork.*

② | The **BATHROOM** features the style and convenience of a polished solid surface countertop and integrated sink. You'll find plenty of storage space for all your essentials, including a mirrored medicine cabinet and handy towel bars and rings. The one-piece fiberglass shower is highlighted by a beautiful glass shower door with satin nickel frame, and a bathtub is optional.

③ | The 38PBDD bedroom is shown here in **GARLAND** with **NATURAL CHERRY** woodwork. You'll appreciate the built-in clothes hamper and black-out shades. And for superior audio, the television is wired through the ceiling speakers — plus there's a bedroom remote control for the dash stereo.

IT'S ALL RIDING ON A ROADMASTER

Want to know the secret to the best ride and handling in the industry? A custom-built chassis by Roadmaster. You see, Roadmaster chassis are designed to the exacting specifications of each and every model of our diesel coaches. That means you'll never find this year's coach on last year's chassis. And you'll always know you're riding on a chassis that's designed exclusively for a luxury diesel motorhome. So take a moment to learn about a few of the Roadmaster's impressive features. Because only this kind of highly synchronized teamwork can give you this level of performance.

ROADMASTER RR8S-SERIES CHASSIS

- The Roadmaster RR8S-Series chassis was designed specifically for Monaco's luxury coaches like the Windsor, and it leads its class in sophisticated features that combine to provide a smooth ride and superior front-to-rear balance.
- Eight outboard mounted air bags work in conjunction with gas-powered shock absorbers to prevent road trauma from ever reaching the coach.
- Monitored leveling sensors continually adjust the air pressure at each axle to maintain a level ride and eliminate nosediving, weight transfer, and floating on curved roads. This system also stabilizes the coach on uneven surfaces.
- A 10,000 lb. tow hitch rating is the highest in its class.
- The exclusive raised rail design provides for larger full pass-through storage bays with flush floors.
- Other features include a 3/8" thick frame rail (110,000 PSI steel) for greater strength; a side mounted aluminum radiator and charged air cooler for better heat transfer and cooling.
- The power steering box allows for a 50 degree turning radius.
- Equipped with a steel firewall for added safety.
