*This is Living*®

 HOLIDAY RAMBLER®

{ *This is Living*® }

Fifty-one years. It's a proud reminder of our many accomplishments. After all, we were there from the start of an industry, and innovation by innovation we've led the way toward creating a rich and wonderful RV lifestyle.

Maybe it's not until you own a Holiday Rambler that you can truly feel the strength of our heritage. You'll feel it in the peace of mind you'll have knowing your family's in the safest RV on the road. You'll feel it in the quality of your experiences, thanks to the hundreds of conveniences we've developed. And you'll feel it when you realize you're free to roam throughout North America with confidence, knowing our network of support is with you every mile of the way.

So join us as we look forward to a new model year. For 2005, we're celebrating an exciting new lineup, full of more groundbreaking products and high-tech advances than ever.

## 2005 SCEPTER

---

MORE POWER TO YOU.

There are times in your life that beg you to take a big, bold step. Just like the 2005 Scepter has. This year, our popular luxury diesel coach hits the road with new sophisticated, sports car-inspired styling — to match its powerful new Cummins® ISL 400 engine. All designed to reflect your love of freedom, adventure and the challenge of the open road.

Holiday Rambler®

1954 - 2005

{ IT'S ALL ABOUT CREATING A HOME. }

Set foot inside the 2005 Scepter, and you'll see that it's nothing short of a home. And as you take a closer look, you'll appreciate the many details that bring it all together. Like beautiful solid wood cabinet doors with stylish satin nickel hardware. Decorative hardwood slide-out fascia and crown molding. And plush designer carpeting paired with sleek ceramic tile or optional laminated plank flooring.

In the dining area, you'll find an adjustable legless solid surface table with two dinette chairs and two folding chairs. Plus, we've added a computer hook-up with phone jack to make the space more useful.

The Scepter also features impeccable furnishings, with a long list of standard and optional selections, depending on the floorplan. One highlight is the exquisite Ultraleather™ Euro-recliner with ottoman, shown here. And below, the optional hide-a-bed sofa with air mattress (available on select models) makes your living area more versatile, allowing you to conveniently accommodate family and guests.

{ THE MARRIAGE OF  
LUXURY AND ADVENTURE. }

Welcome to a motorcoach that's as sporty and fun loving as you are. Above the cockpit, you'll find the Scepter's impressive entertainment center, featuring a 24" CRT flatscreen TV (or an optional 32" flatscreen LCD TV) that's wired through the ceiling speakers for superior sound quality. You can customize the package with some exciting options, including a home theater system with VCR/DVD player and a fully automatic digital satellite system.

In the kitchen, you're greeted by the contemporary styling of the new polished radius solid surface countertop and backsplash with beveled mirrors. The appliances are also state-of-the-art and include a recessed high-output cooktop, a stainless steel convection microwave and a double-door refrigerator with raised panel doors. The pullout countertop extension, shown here, gives you added workspace (not available on 40PBT), while a roll-out pantry gives you impressive storage space. The overhead cabinets feature an adjustable shelf, and we've added built-in storage for the sink and stove covers and a wastebasket.

{ RETREAT. RELAX. RECHARGE. }

The Scepter's warm and cozy bedroom is the perfect place to unwind from the day and rest up for tomorrow. Its highlight is a queen bed with an impressive hardwood headboard and beautiful fabric inserts. And for your comfort, side windows in the slide-out (on most models) offer excellent cross ventilation. Two nightstands with solid surface tops come standard, or you may choose the optional king bed with one nightstand. Storage space is plentiful, with top-hinged overhead cabinet doors that open easily and stay open with struts. And you'll enjoy the roomy oversized rear wardrobe closet with mirrored doors and satin nickel frame.

In the bathroom, you'll love the attractive polished solid surface countertop with integrated sink and single-handle faucet, shown above right. Here, you can also see the stylish hardwood valances with fabric accents, located throughout the coach. Below, you see the residential-style solid wood raised panel bathroom door, as well as the decorative glass shower door with convenient towel bars.

{ HIGHLIGHTS OF COMFORT  
AND CONVENIENCE. }

The 2005 Scepter is a remarkable combination of innovative designs, state-of-the-art engineering, and forward-thinking features. In the cockpit, you'll find the Aladdin™ video coach monitoring system to help you track many of the coach's vital functions as well as your trip information. The attractive dash is well organized, with many of the controls located on the lighted VIP Smartwheel®. You'll also love the plush, durable Ultraleather™ cockpit seats — with six-way power controls on the pilot seat and optional six-way power controls and a power footrest on the co-pilot seat.

Other features shown here include the centralized tank monitoring panel and the insulated systems compartment along with the battery slide-out tray. The newly styled front cap features a one-piece windshield for an unobstructed view, as well as new headlamps and fog lights and a one-piece generator access door with a power slide-out for easier servicing. Another Holiday Rambler advantage is the quality of our slide-out construction — featuring the same multi-layer insulation as the sidewalls to prevent warping and shifting.

**WETBAY WITH OPTIONAL RV SANI-CON:**  
 The new RV Sani-Con system makes it easier and cleaner than ever before to flush the coach's holding tank.

**TRUSS SYSTEM WITH RUST INHIBITOR:**  
 This steel truss system is engineered as part of the chassis and provides outstanding strength and rigidity plus pass-through storage. In addition, the structure is pre-primed and coated with a rust inhibiting paint.

**CUMMINS® ISL 400 DIESEL ENGINE:**  
 You'll enjoy the peerless performance of the Cummins® ISL 400 electronic engine and the Allison® 3000 MH 6-speed World Transmission with electronic shifter. This powertrain offers 1,200 lbs./ft. torque for maximum uphill performance. In addition, our exclusive use of synthetic transmission fluid allows for up to three-year maintenance intervals for the transmission.

ROADMASTER RR8S-SERIES CHASSIS

**ROOF CONSTRUCTION: (top to bottom)**

- 1/4" seamless one-piece crowned fiberglass roof
- Vapor barrier
- Luaun backing
- Structure foam: thermal insulative barrier
- 2 1/2" thick, tapered bead foam insulation
- 1/2" bead foam insulation
- 1 1/2" x 3" aluminum I-beam superstructure on 16" centers is filled with 3" fiberglass insulation
- Foam padding for extra insulation
- Padded vinyl ceiling

**SIDEWALL CONSTRUCTION: (left to right)**

- High-gloss gel coat fiberglass
- 1 1/2" thick Dow Structure Foam® insulation
- 1 1/2" x 1 1/2" square tubular aluminum frame
- 1/8" luaun
- Wallpaper

**ENGINE MOUNTING:**

The three-point engine mounting system lowers the coach's center of gravity and reduces the amount of vibration that reaches the coach. The mounting also makes the engine easier to service by allowing the engine to be easily lowered through the bottom of the coach.

**AIR BAGS AND SHOCKS:**

The cushion air glide suspension system with eight outboard mounted air bags and eight gas shock absorbers combine with ride height sensors (two in rear, one in front) to deliver better ride and handling.

**Roadmaster**  
Chassis

The Roadmaster RR8S-Series chassis was designed specifically for Holiday Rambler's luxury coaches like the Scepter, and it leads its class in sophisticated features that combine to provide a smooth ride and superior front-to-rear balance.

- Eight outboard mounted air bags work in conjunction with gas powered shock absorbers to prevent road trauma from ever reaching the coach.
- Three monitored leveling sensors (two in the rear, one in the front) continually adjust the air pressure within each air bag to maintain a level ride and eliminate nosediving, weight transfer and floating on curved roads. This system also stabilizes the coach side to side on uneven roads and while maneuvering through curves.
- A 10,000 lb. tow hitch rating is the highest in its class.
- Our exclusive raised rail design provides for larger full pass-through storage bays with flush floors.
- Frame rails are constructed of 3" by 8" by 3/8" 60,000 PSI steel for greater strength; a side-mounted aluminum radiator and intercooler reduce weight, won't rust, and deliver better heat transfer than steel cooling components.
- The power steering box allows for a 50-degree front wheel turn angle in both directions for better maneuverability and returns the steering wheel back to its center position to eliminate driver fatigue.
- Equipped with a steel firewall for added safety.

**FLOOR CONSTRUCTION:**  
(top to bottom)

- Carpet pad and carpeting or tile
- 5/8" Structurwood™
- 1 1/2" Dow Structure Foam® insulation
- 1 1/2" x 1 1/2" square tubular steel frame
- 1/8" luaun
- Waterproof Darco underbelly

CELEBRATING THE FREEDOM OF CHOICE.

At Holiday Rambler, we're dedicated to giving you more ways to create the coach of your dreams. That's why the Scepter features a wide selection of exciting triple and quad slide-out floorplans, with numerous furniture options to fit your lifestyle. In addition, our designers have created exquisite color and fabric combinations to give you the most beautiful interiors you'll find anywhere. Add to that the woodwork of your choice, and you'll have a luxury motorcoach you can truly call home.

Fuel Tank	130	130	130	130	130	130

\* Towing capacity is limited by GCWR; your vehicle's towing capacity is the difference between the GCWR and the actual vehicle weight, including all water, fuel, passengers and cargo. Your towed vehicle should be equipped with auxiliary brakes if the weight of the towed vehicle exceeds 1,000 lbs. Consult your Owner's Manual for further towing information.

\*\* Variances in the fabrication and installation of the tanks may cause the actual "usable capacity" to be greater or less than the capacities designated above.

\*\*\* Actual filled LP capacity is 80% of listing due to safety shut-off required on tank.

Due to the large variety of options and floorplan arrangements available to our customers, actual weights for each unit can differ significantly. Holiday Rambler provides a weight sticker on each unit we produce which includes that unit's tank capacities and approximate weight. Consult your local Holiday Rambler dealer for unit availability and further information.

The information printed in this brochure reflects product design, fabrication, and component parts at the date of printing. The manufacturer reserves the right, at any time, to make changes in product design or material or component specifications as its sole option, without notice. This includes the substitution of components of a different brand or trade name, which will result in comparable performance. All information printed in this brochure is subject to change after the date of printing. Some features shown or mentioned in this brochure are optional and may only be available in selected floorplans. Photographs may show props or decorations that are not standard equipment on Holiday Rambler models. Holiday Rambler, the HR logo and its design, are registered trademarks. All other products and company names are trademarks and/or registered trademarks of their respective holders.

While the color of the motorhome's exterior and the interior fabrics depicted in this sales brochure are fair and reasonable depictions, the colors depicted may not be an exact match of the actual colors because of the variances in photo-processing and variances caused by inserting the photographs within the sales brochure. Due to product improvements, changes during the model year and/or transcription errors that may occur, information represented within this brochure may not be accurate at the time of your purchase. If certain information is significant to your purchasing decision, please confirm the information with your dealer prior to submitting your order.

The actual overall length of the recreational vehicle may differ from that indicated in the brochure due to variances in the manufacturing process and/or installed components. The actual length may be greater or less than that indicated.

Component part and appliance manufacturers issue limited warranties covering those portions of the recreational vehicle not covered by the Limited Warranties issued by the Monaco Coach Corporation companies. To learn more on what specific component parts and appliances are excluded from the Limited Warranties issued by the Monaco Coach Corporation companies please contact your selling dealership or Monaco Coach Corporation directly or review the warranty packet inside the recreational vehicle.

{ IT'S ALL ABOUT BUILDING A LASTING RELATIONSHIP. }

WELCOME TO THE FAMILY ADVANTAGE.

What is the Family Advantage? It's all the ways we put the strength of our family to work for yours. It's the unmatched level of teamwork, expertise and combined experience of all our companies. It's our industry-leading Roadmaster chassis and our remarkable White Glove factory inspection program.

It's our ability to respond rapidly to our owner's needs, with new features and technologies. And it's our commitment to value and to giving you more RV for your money.

The most important aspect of the Family Advantage is being there when you need us. Our staff is available 24/7/365 to help you with virtually any situation that may arise — with troubleshooting, operational instruction or facilitating repairs at the nearest of our 350 nationwide service centers. In addition, you will be enrolled in our Owner Advantage Roadside Assistance Program free of charge for your first year of ownership — providing additional emergency assistance, including towing, tire repairs and many more services around the clock. No matter where you are, someone is standing by to talk with you 24 hours a day — to help you get the most from your time on the road.

In short, when you purchase an RV from Monaco Coach Corporation, you get a wider array of benefits than any other manufacturer can offer. To see it all for yourself, call 1-800-634-0855 or 1-800-650-7337. We'd love to meet you Monday through Friday for a tour of one of our state-of-the-art production facilities in Oregon or Indiana.

350 | SERVICE FACILITIES  
NATIONWIDE AND GROWING.

OWNER ADVANTAGE ROADSIDE ASSISTANCE PROGRAM

At no charge to you in your first year of ownership, we offer an extensive support program that provides complete roadside assistance and special motor club benefits that follow you wherever your travels take you. This coverage also includes one additional family vehicle at no extra charge! Highlights include towing, tire repairs, fuel delivery, lock-out service, service appointment assistance, trip interruption coverage and much more.

WARRANTIES

12 MONTH/24,000 MILE  
basic limited warranty

5 YEAR/50,000 MILE
