# distance yourself

Become a part of the Allegro Bus family, and set yourself apart from every other motorhome owner. Break away with the Cummins ISL engine and 6-speed auto transmission diesel pusher. Then, separate from the pack even further with seven floor plans that range in length from 36 to 43 feet, nine full-body exterior paint options, quad slides, electronic locks, and a standard round digital/analog antenna. ## IT'S WHAT'S ON THE INSIDE THAT COUNTS.

If beauty is in the eye of the beholder, then behold the interior living space of the Allegro Bus. That's where you'll experience room like never before, thanks to expansive seven-foot ceilings adorned by distinctive wooden décor. The living area features custom cabinets hand-crafted by Tiffin, a new floor tile design, and options that include a U-shaped dinette/sleeper sofa, a 32" front overhead LCD TV, and glazed cherry cabinets. In the kitchen you'll discover solid surface countertops, a decorative tile backsplash and a microwave/convection oven that's vented through the outside wall. Entertaining comes easy with the double bowl sink, large stainless steel refrigerator, a 2-burner cooktop, optional dishwasher and cabinets with sliding shelves.

## THE ROAD IS AT YOUR COMMAND.

Just within reach is everything you need to master the highway ahead of you. The transmission shifter panel is set comfortably close for easy access, while the color back-up monitor is perfectly positioned next to the new optional in-dash stereo/GPS system. The side-view cameras are automatically activated by your turn signals. A one-piece tinted windshield offers an unobscured view of the roadway. You have a comfortable vantage point from the Ultra Leather Flexsteel® driver and passenger seats, each of which turns to provide added seating in the living area. It's the kind of command you can definitely take sitting down.

## DISCOVER FIRST CLASS IN A COACH.

You'll know you've definitely upgraded when you experience the spacious bedroom area of the Allegro Bus. Starting with an optional 72" wide king-size bed and optional memory foam mattress that reduces movement to a minimum, it's a room filled with lavish comfort. It also features a standard 26" LCD TV that is prewired to accommodate a DVD and satellite receiver. There's also room for an optional stacked washer/dryer, plenty of drawer/nightstand/closet space and a convenient pull-out laundry hamper. There's even a rear wardrobe that offers automatic lighting when you open it. It's a fitting end to another day of seeing the world.
