LUXURY TO THE MAX

With LaCrosse, this is more than just a catchy phrase found inside a brochure – it's the strategy that guides us every day as we strive to create the perfect recreational vehicle. A simple example of this strategy is LaCrosse's 82" sidewall height. Your senses will tell you that the extra headroom "feels" great. Then you notice that the kitchen cabinets are huge, the vented windows are 20% larger – very nice, indeed. Finally, as you settle into the residential furniture, you will appreciate that LaCrosse has extra tall, very spacious slide-outs. Luxury To The **Max**. It's our strategy to **MAX**imize your enjoyment.

337RKT Entertainment Center

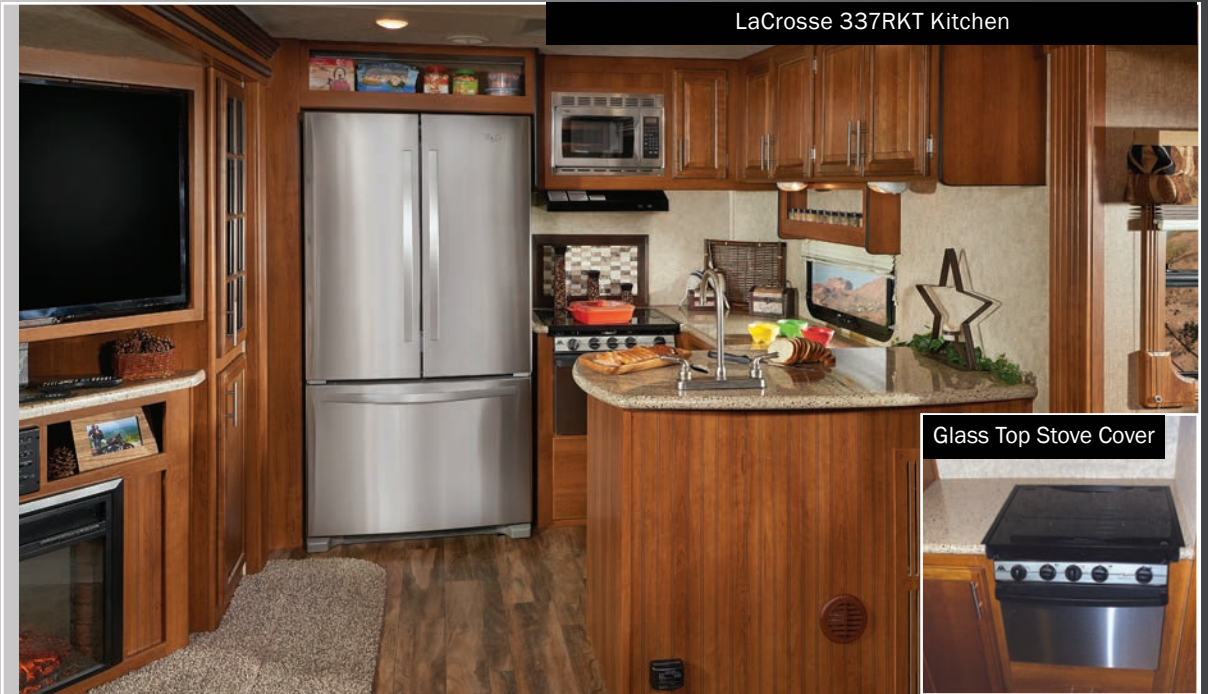

328RES Kitchen

In the past, luxury and value were contradictory terms — not any more! LaCrosse redefines value to include the very best in price and quality without sacrificing luxury, comfort, and convenience. LaCrosse is loaded with upgraded features like: LG Solid Surface kitchen countertops, beautiful Golden Cherry cabinet doors, and large LED TV's. To **MAX**imize your convenience, many floorplans offer an amazing 12 cubic foot refrigerator — or even a 20 cubic foot residential refrigerator! The unmatched storage, residential appeal, and plush comfort of LaCrosse is normally reserved for units costing thousands more.

Your search for the perfect combination of luxury and value is over. We have created it. Welcome to LaCrosse!

LaCrosse 328RES Bedroom

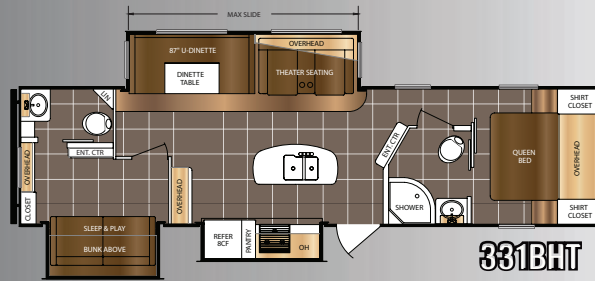

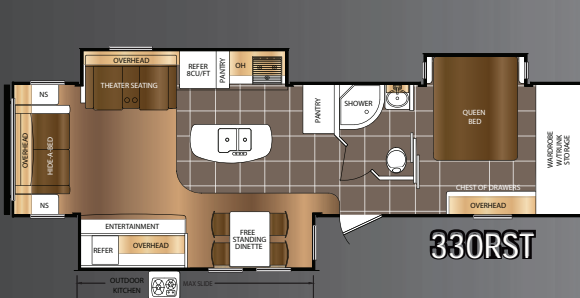

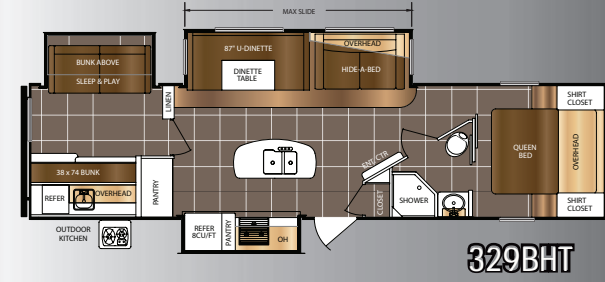

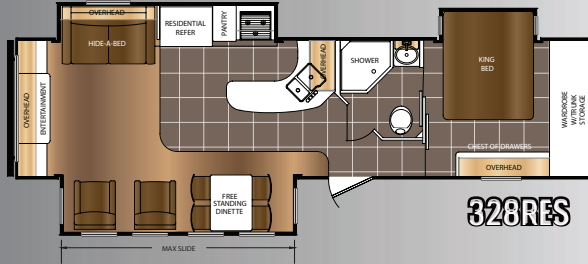

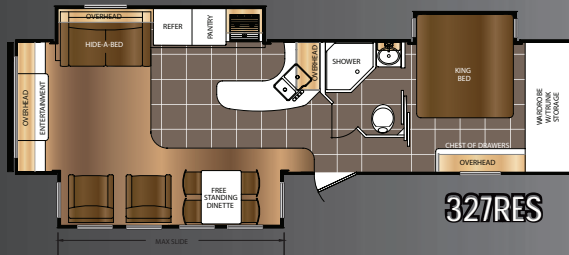

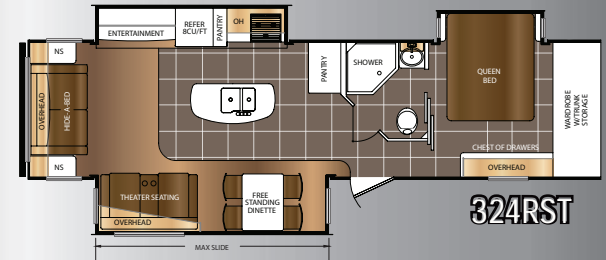

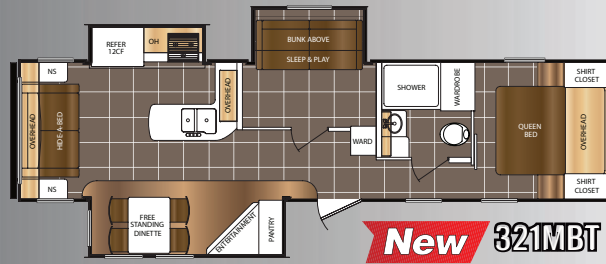

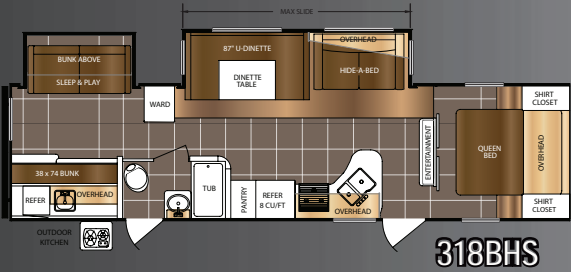

LaCrosse 330RST Entertainment Center

At Prime Time, we know that finding the right floorplan is the single most important decision you have to make when purchasing your new recreational vehicle. That's why we offer a variety of choices including double and triple slide out rooms, bunk houses, rear entertainment centers, rear living rooms and rear kitchen models. In keeping with LaCrosse's **"Luxury to the Max"** motto, you'll find 40" or 50" LED TV's in each LaCrosse floorplan,* **MAX**imum storage throughout each and every layout, and you'll even see models boasting a king size bed! LaCrosse simply provides a level of luxury that is a cut above.

HEIGHT	11' 1"	11' 3"	11' 3"	11' 3"	11' 3"	11' 3"	11' 3"	11' 3"	11' 3"
HITCH WEIGHT	840 lb.	794 lb.	970 lb.	897 lb.	897 lb.	918 lb.	980 lb.	890 lb.	960 lb.
UNLOADED VEHICLE WEIGHT (UVW)	8,022 lb.	8,370 lb.	8,443 lb.	8,535 lb.	8,535 lb.	8,815 lb.	8,833 lb.	8,393 lb.	8392 lb.
CARGO CARRYING CAPACITY (CCC)	1,621 lb.	2,584 lb.	1,327 lb.	2,762 lb.	2,762 lb.	2,263 lb.	2,547 lb.	2,897 lb.	2,728 lb.

UVW (Unloaded Vehicle Weight)* is the typical weight of the unit as manufactured at the factory. It includes all weight at the unit's axle(s) and tongue or pin and LP Gas. The UVW does not include cargo, fresh potable water, additional optional equipment or dealer installed accessories. *Estimated Average based on standard build optional equipment.

CCC (Cargo Carrying Capacity)** is the amount of weight available for fresh potable water, cargo, additional optional equipment and accessories. CCC is equal to GVWR minus UVW. Available CCC should accommodate fresh potable water (8.3 lbs per gallon). Before filling the fresh water tank, empty the black and gray tanks to provide for more cargo capacity. ** Estimated average based on standard build optional equipment.

See back page for additional specification definitions.

ADDITIONAL SPECIFICATIONS:

GAWR (Gross Axle Weight Rating) is the maximum permissible weight, including cargo, fluids, optional equipment and accessories that can be safely supported by a combination of all axles.

Each Forest River RV is weighed at the manufacturing facility prior to shipping. A label identifying the unloaded vehicle weight of the actual unit and the cargo carrying capacity is applied to every Forest River RV prior to leaving our facilities. The load capacity of your unit is designated by weight, not by volume, so you cannot necessarily use all available space when loading your unit.

Forest River, Inc. encourages our customers to purchase their Forest River products from a local dealership whenever possible for the following reasons:

- 1) Forest River, Inc. dealers are independently owned and operated businesses so priority service and scheduling is at their discretion and is often provided to customers that purchased their unit at that dealership.
- 2) Purchasing locally allows customers to establish meaningful relationships with a dealer, enhancing the RV experience through assistance with product questions, user tips or RV regulations for your state or country, and much more!
- 3) Canadian customers must meet requirements to bring an RV purchased out of the country to their home. These requirements may involve additional inspections and certifications, taxes and fees. Your local Canadian Dealer is a professional at meeting these requirements.
- 4) Scheduling timely warranty repairs and adjustments through a local dealership provides far greater flexibility and convenience to you, the customer!

It is the goal of Forest River, Inc. that all of our RV owners fully enjoy the RV experience and that customer satisfaction meets or exceeds their expectations!

All information contained in this brochure is believed to be accurate at the time of publication. However, during the model year, it may be necessary to make revisions and Forest River, Inc., reserves the right to make all such changes without notice, including prices, colors, materials, equipment and specifications as well as the addition of new models and the discontinuance of models shown in this brochure. Therefore, please consult with your Forest River, Inc., dealer and confirm the existence of any materials, design or specifications that are material to your purchase decision.
