35.1 | ENCORE | RESORT CHERRY

WHEN WE SAY *MADE TO FIT*,
WE MEAN IT.

With so many unique models available, Thor Motor Coach motorhomes are priced to fit anyone's budget – from families buying their first motorhome to full-timers looking for a roaming “dream home”. No matter how you choose to spend your time or your money, there's a TMC motorhome that fits your needs.

By building a variety of unique styles, sizes and floor plans, Thor Motor Coach offers motorhomes that feel custom-made – at a truly competitive price.

Welcome to the Palazzo, the motorhome that is *Made to Fit* your lifestyle.

Made to fit.

YOU DESERVE THE FINER THINGS IN LIFE

BRIGHTON BEACH FULL-BODY PAINT

CHELSEA FULL-BODY PAINT

NIGHT PEARL FULL-BODY PAINT

RIVERBANK FULL-BODY PAINT

- A | CUMMINS® ISB 6.7L DIESEL ENGINE**
The Palazzo's Cummins® ISB 6.7L diesel engine is mated to a 6-Speed Allison automatic transmission, providing immense horsepower and torque. This combination delivers maximum performance, reliability and durability.
- B | FULL-BODY PAINT**
A striking exterior graphics design provides a jaw-dropping experience. The paint process includes alternating layers of paint and clear coat to provide a silky exterior finish.
- C | LARGE PASS-THROUGH STORAGE**
Multiple compartments provide plenty of space to take everything you need. Most models have a larger pass-through compartment that includes a sliding tray making it easier to reach your household items.
- D | FRAMELESS DUAL PANE WINDOWS**
Sleek, automotive-style frameless windows look great with an added twist of functionality. The dual pane windows are hinged to open outward for ventilation, even in rainy weather.
- E | POWER PATIO AWNING WITH INTEGRATED LED LIGHTING**
Simple push button operation extends and retracts the awning with ease. The integrated LED strip lighting illuminates the camp area, allowing for nighttime use.
- F | 55° WHEEL CUT**
With a 55-degree wheel cut, the Palazzo can maneuver in and out of tight spaces with ease. You can feel confident behind the wheel when driving in campgrounds, parking lots, and fueling stations.
- G | SIDE VISION CAMERAS**
Side vision cameras, integrated into the exterior mirror housing, vastly increase the line of sight along the side of the coach, helping keep you safe on the road.

A home needs a strong foundation and that is especially true for the home that rolls down the road. The Atlas™ Foundation under the Palazzo provides an excellent base to construct your new motorhome.

LAY THE GROUNDWORK FOR SAFE TRAVELS

The Atlas Foundation™ is the premier building platform and substructure in the industry. Thor Motor Coach has partnered with industry leaders, Freightliner® Custom Chassis and MORryde® International, to bring you this innovative building design.

Innovation doesn't just happen, it takes a dedicated team of the very best designers and engineers working together to tackle the challenges in the road ahead. From the very start our main focus is you, and you will see that from the moment you step into the motorhome.

The Atlas Foundation™ is a fully integrated basement foundation design. This means that trusses, cross members and ladder assemblies are pre-formed and laser-cut from high-strength, 50 grade HSLA steel, which provides greater resistance to corrosion than carbon steel.

The structure is assembled and welded on a flat, laser-leveled table, then hoisted onto the OEM chassis and welded into place. This system includes a built-in, unit floor leveling system, which maintains the true squareness of the motorhome body and helps prevent crowning.

Fiberglass lined, pass-through storage bays span the width of the unit with steel support under each of the compartments. The steel sub-frame can support more than 1,000 pounds per compartment. Designed to facilitate greater luminosity, the interior mold and mildew resistant fiberglass lining is white, making it easier to see within the compartment in low-light situations.

Built strong and insulated to help reduce heat transfer, the firewall and rear engine cage are fully encased in steel, which eliminates engine and road noise.

You're the one who will rely on our innovation for years to come. You're the one who will feel the strength of the Atlas Foundation™ as you drive the open road. You're the one who will benefit from our hard work and commitment to excellence.

We didn't just design the Atlas Foundation™, we crafted it to fit you.

Driven By You

Steel trusses provide consistent support across the entire structure of the floor. The steel is welded in place creating individual compartments which provide ample and pass-through basement storage.

A steel cage surrounds and protects the engine and radiator compartments.

Anti-camber bars are located in parallel with the main frame rails. These steel members eliminate the natural camber of the chassis created by the engine and transmission being located aft of the rear axle. The bars support the overall basement, creating a true structure to mount the house of the motorhome.

The steel firewall protects the front of the coach while providing a strong anchor point for the cockpit. Solid foam insulation is added to provide a buffer to eliminate road noise and help prevent heat and cold transfer.

Taking the extra time to ensure the best possible structure is exactly what you deserve, and this is why Thor Motor Coach insists on vacuum-bond laminating not only the sidewalls of the motorhome, but also the floor and roof. Vacuum-bonding is the optimum manufacturing process to ensure maximum strength.

ROOF

- A** One-piece exterior TPO membrane
- B** Luan panels
- C** Aluminum structure with bowed framing
- D** Block foam insulation
- E** Interior panel with soft touch vinyl covering

SIDEWALLS

- A** High-gloss or gel-coat fiberglass
- B** Luan panels
- C** Aluminum structure with framing at all openings
- D** Block foam insulation
- E** Interior panel with designer wall covering

FLOOR

- A** Residential vinyl flooring or carpet
- B** OSB structure wood base
- C** Structural steel framing
- D** Block foam insulation
- E** Luan with woven plastic exterior finish

FLOOR PLANS

The Palazzo offers a wide variety of floor plans to suit your way of life. Families of all sizes will appreciate the numerous layouts available. Every inch of space, inside and out, is designed to make life on the road more livable. Organized kitchen workspaces, creative bathroom arrangements and bedroom dwellings make the most of space while remaining comfortable and functional. Every detail seems to say “welcome home”.

33.3

This triple track design supports large rooms, like those found in full-wall slideouts, ensuring simple, reliable, maintenance-free operation. What sets 3TRAX™ apart is the patented rail system, in-floor roller guides and electric motor design which is contained within the sidewall of the motorhome.

STANDARDS & OPTIONS

CONSTRUCTION & EXTERIOR

- Freightliner® XC-S Straight Rail Chassis
- Cummins® ISB 6.7L Diesel Engine with 300HP, 660 lb.-ft. Torque (33.2, 33.3 & 33.4)
- Cummins® ISB 6.7L Diesel Engine with 340HP, 700 lb.-ft. Torque (35.1 & 36.1)
- 6-Speed Allison Automatic Transmission
- I-Beam Front Axle with 55" Wheel Cut
- Air-Ride Suspension
- Full Air Front & Rear Drum Anti-Lock Brakes
- Dual Fuel Fills
- One-Piece Fiberglass Front & Rear Caps
- Invisible Bra
- One-Piece Windshield
- Full-Body Paint Package with Gel-Coat Sidewalls
- Automatic Leveling Jacks with Touchpad Controls
- Full Basement Pass-Through Storage Compartment
- Easy Slide Storage Tray (33.2, 33.3 & 36.1)
- Side-Hinged, Flush Mount Radius Compartment Doors
- Power Patio Awning with Integrated LED Lighting
- Slideout Topper Awnings
- 3TRAX® Wall Slide System 
- Frameless Dual Pane Windows
- Roof Ladder
- Automatic Electric Entry Step
- Entry Door with Deadbolt Lock
- Outside Shower

AUTOMOTIVE & COCKPIT

- 10" Touchscreen AM/FM Dash Radio with CD/DVD Player, Bluetooth®, Back-Up Monitor & Mirror Display
- Heated/Remote Exterior Mirrors with Integrated Side View Cameras
- Leatherette Reclining/Swivel Captain's Chairs
- 6-Way Power Adjustment Driver's Seat
- Fog Lights

- Electric Windshield Roller Shade
- Manual Side Window Roller Shades
- 10,000-lb. Trailer Hitch with 7-pin Round Connector
- 22.5" Radial Tires with Stainless Steel Wheel Liners
- Valve Stem Extenders on Rear Tires
- Dash Workstation with 110-volt & 12-volt Outlets

INTERIOR

- Residential Vinyl Flooring Throughout
- High-Gloss Glazed Cabinetry with Hardwood Raised Panel Cabinet Doors & Nickel Finish Hardware
- Hardwood Veneer Paneling in Select Areas
- LED Ceiling Lights
- Soft Touch Vinyl Ceiling
- Window Solar & Privacy Shades in Living Area
- Leatherette Euro Recliner with Integrated Ottoman (33.2)
- Leatherette Sofa with Air Bed
- Dream Dinette® Booth (33.2, 33.3, 33.4 & 36.1)
- Buffet Dinette with Four (4) Chairs – Includes Two (2) Folding (35.1)
- Power Drop-Down Hide-Away Overhead Bunk with Cotton Cloud™ Mattress & Bunk Ladder

KITCHEN

- 16 cu. ft. Stainless Steel Residential Refrigerator
- 3-Burner Gas Cooktop
- 30" Over-the-Range Convection Microwave Oven
- Solid Surface Countertops
- Large Double Bowl Kitchen Sink & Single Handle Kitchen Faucet w/Pull-Down Sprayer
- 12-volt Attic Fan

BEDROOM & BATHROOM

- Denver Mattress® King Size Bed (35.1)
- Denver Mattress® Queen Size Bed (33.2, 33.3, 33.4 & 36.1)
- Attractive Headboard, Bedspread & Throw Pillows
- Bunk Beds – Converts to Sofa (33.3)

- Sconce Wall Lighting (33.2, 33.3 & 33.4)
- Porcelain Toilet
- Oversized Shower with Glass Door
- Power Vent in Bathroom

ENTERTAINMENT

- Mid-Ship Entertainment Center with 48" LED TV, DVD Player & Sound Bar (35.1)
- Mid-Ship Entertainment Center with 40" LED TV, DVD Player & Sound Bar (33.2, 33.3, 33.4 & 36.1)
- 28" LED TV in Bedroom
- 13" & 24" LED TVs in Bunk Bed Area (33.3)
- Exterior 32" LED TV
- Cable TV Ready

ELECTRICAL & PLUMBING

- Cummins Onan® RV QD 6000 Diesel Generator
- 50-amp Shoreline Power Cord
- Pre-Wired for Solar Charging
- Dual 13,500 BTU Ducted Low-Profile Roof Air Conditioners
- Automatic Generator Start
- Four (4) Auxiliary House Batteries
- Battery Disconnect Switch
- Emergency Start Switch
- 10-gallon DSI Gas/Electric Water Heater
- Water Heater Bypass System
- Black Tank Flush System
- Stackable Washer/Dryer (33.2, 33.4, 35.1 & 36.1)
- Systems Control Center

Thor Motor Coach is the industry leader in innovative design and builds a variety of unique styles, sizes and floor plans that feel custom-made – at a truly competitive price.

IMPORTANT—PLEASE READ: This brochure reflects product design, fabrication, material, components and specifications at the date of printing, which date is disclosed below. **Please visit us online at ThorMotorCoach.com or consult with your selling dealership for the latest in standards, options, specification and technical information.** Photographs in the brochure may depict optional equipment or may only be available in certain floor plans. Components, appliances and the chassis may have been manufactured in a calendar year before the vehicle's designated model year. All capacities are approximate. The actual length of the vehicle may differ from that indicated in the brochure due to variances in the manufacturing processes and/or installed components. All dry weights are based on standard model features and do not include optional features or equipment. Component part and appliance manufacturers issue limited warranties covering portions of the vehicle not covered under the limited warranty we issue. Copyright Thor Motor Coach, Inc. © 12/15/15
