

DYNAMAX 

A DIVISION OF FOREST RIVER

DIFFERENT BY DESIGN

DX3

37TS with Marble Decor and Rich Caramel Cabinets. Dual Reclining Theater Seats in Place of Sofa and Entertainment Center with 50" LED TV and Fireplace in Place of Comfort Lounge Shown.

A Powerful Combination

The journey is as important as the destination. With Freightliner's M-2 powerhouse, the DX3 offers excellent horsepower, torque, and towing capacity. In addition, the familiar automotive cab chassis offers up to 5' of crush zone protection, better airflow to the radiator, and easier entry and exit over traditional flat-front motorhomes.

Optional Entertainment Center with 50" TV and Fireplace in place of Comfort Lounge

Optional Dual Reclining Theater Seats in place of Sofa

37TS with Brindle Décor and Rich Caramel Cabinets

37TS with Brindle Décor and Early American Cherry Cabinets

400LP Aqua-Hot System (Standard)

Designed and created by an RV enthusiast, our Aqua-Hot hydronic heating system provides quiet, evenly-distributed heat and unlimited hot water without the dryness created by a traditional LP furnace. It also offers utility bay heat, zoned heating, and dual power sources.

All Electric Option

The All Electric Option includes an induction range, 400D Diesel Aqua-Hot System, and exterior storage compartment in place of the LP tank.

DX3 models feature a residential stainless steel refrigerator with an ice maker.

Optional washer and dryer

Rest Easy

Every DX3 includes a residential memory foam mattress with iCool technology. This gel-infused memory foam has all the properties of memory foam with the added benefit of cooling gel beads. These tiny beads bond with the foam, allowing more airflow to regulate the mattress temperature throughout the night.

All DX3 bedrooms are tastefully appointed with rich hardwoods, a 32" TV, Soundbar, and Blu-Ray DVD Player.

What's a home away from home without ample closet space? Wardrobe space abounds with his and her (or all her's) closets and a multitude of drawers. An optional washer/dryer sits behind louvered doors with additional hanging space on the 37TS.

The 37BH is great for family and friends with 28" x 76" bunk beds. Each bunk features a 10.2" flip-down color monitor with built-in DVD player.

Say, "So Long" to wimpy RV Showers

Pressure Chamber

The patented **Oxygenics Engine** supercharges any water pressure, turning weak flows into satisfying showers. It is effective in reducing wash and rinse times, especially for those with long hair. All while saving water, so your tanks last longer.

- Water is introduced into a **pressure chamber** that works like a mini turbine jet, increasing water velocity.
- Water passes through an **air vacuum** at high speed, infusing oxygen into each drop.
- The pressurized combination of water and oxygen is released through an expanding nozzle, widening **spray** and greatly increasing water power.

Looking To Further Customize?

Our in-house paint process allows us to accommodate single-color paint scheme requests as well as requests for black-out wheels. See examples below.

Legendary Paint Start to Finish

Each and every motorhome undergoes the same painstaking process that has made our paint renowned in the industry.

- Remove most trim (instead of masking)
- Sand every inch to be painted
- Prime and seal
- Apply base paint (1-6 colors)
- Air brush drop shadows
- Apply multiple coats of clear
- Bake on the finish
- Cut and buff (the key to turning an average paint job into a show-stopping work of art)
- 3M Diamond Shield® to protect key areas

Dynamax has three on-site 25' x 60' downdraft paint booths. This means we have maximum control of quality. By painting parts and slide-outs before they are installed, we eliminate overspray on slide seals and interior components.

Solid Hard Wood Crafted to Perfection

Here's where old world craftsmanship meets cutting-edge technology. Dynamax builds with solid cherry hardwoods to produce the same exceptional cabinet construction found in your home.

Hand rubbed finishes optimize grain definition

Mortise and tenon construction

Clear-coated solid hardwood doors provide additional protection and luster

The DX3 comes standard with a 6" touch screen dash infotainment center. You never have to rely on spotty cell phone reception or data downloads to get you where you're going.

A Premium Coach Deserves a Premium Driving Experience

The Xite system features:

- AM/FM, Bluetooth®, Sirius/XM™ Tuner and Antenna (subscription required)
- Rand McNally® RV Navigation with millions of POI's, thousands of RV parks and campgrounds, including national and state parks
- Rand McNally® Editor's Picks, including Best of the Road® adventures, trips and getaways
- RV Checklists

- Fuel Log
- Lifetime Map Updates
- Dedicated Camera Button
- Wi-Fi connected services including live fuel prices, weather and local search
- Dependable knob so you can adjust volume on the fly without taking your eyes off the road

DX3 Floorplans

GVWR (Gross Vehicle Weight Rating) - is the maximum permissible weight of the unit when fully loaded. It includes all weights, inclusive of all fluids, occupants, cargo, optional equipment and accessories. For safety and product performance do NOT exceed the GVWR.

GCWR (Gross Combined Weight Rating) - is the maximum permissible loaded weight of your motor home and any towed trailer or towed vehicle. Actual GCWR of this vehicle may be limited by the sum of the GVWR and the installed hitch receiver maximum capacity rating; see hitch rating label for detail.

GAWR (Gross Axle Weight Rating) - is the maximum permissible weight, including cargo, fluids, optional equipment and accessories that can be safely supported by each axle.

UVW (Unloaded Vehicle Weight)* - is the typical weight of the unit as manufactured at the factory. It includes all weight at the unit's axle(s), including full fuel, all fluids and LP Gas. The UVW does not include cargo, fresh potable water, additional optional equipment or dealer installed accessories.

CCC (Cargo Carrying Capacity)** - is the amount of weight available for fresh potable water, cargo, passengers, additional optional equipment and accessories. CCC is equal to GVWR minus UVW. Available CCC should accommodate fresh potable water (8.3 lbs. per gallon). Before filling the fresh water tank, empty the black and gray tanks to provide for more cargo capacity.

*Estimated Average based on standard build optional equipment. **Estimated average based on standard build optional equipment.

Each Forest River RV is weighed at the manufacturing facility prior to shipping. A label identifying the unloaded vehicle weight of the actual unit and the cargo carrying capacity is applied to every Forest River RV prior to leaving our facilities.

The load capacity of your unit is designated by weight, not by volume, so you cannot necessarily use all available space when loading your unit.

Actual towing capacity is dependent upon your particular loading and towing circumstances, which includes the GVWR, GAWR and GCWR as well as adequate trailer brakes. Please refer to the Operator's Manual of your vehicle for further towing information.

DX3 Standard Features & Options

Chassis

- Freightliner® M2 106 Chassis (33,000-lbs. GVWR/54,000-lbs. GCWR)
- Cummins® 8.9L ISL Turbo Diesel Engine (350hp/1,000 lb.-ft. of Torque)
- Allison® 3200 TRV Six-Speed Automatic Transmission
- 100-Gallon Fuel Capacity (Twin 50-Gallon Aluminum Fuel Tanks)
- 6-Gallon Diesel Exhaust Fluid Tank
- Trailer Hitch (20,000 Tow lbs.) with 7-Way Round Tow Connection
- Brake Controller
- Dual-Stage C-Brake by Jacobs® with High/Off/Low Braking Dash Switch
- Locking Differential
- Airliner® 21,000-lb. Rear Suspension
- Manual Air Dump
- 12,000-lb. Front Axle
- 23,000-lb. Quiet Ride Rear Axle
- 275-Amp Alternator
- Air Brakes with 4-Wheel ABS
- Bilstein® Gas-Charged Front Shock Absorbers
- Equiflo™ Inboard Fuel System (Dual Supply – Dual Return)
- Fuel Filter/Water Separator with Primer Pump
- Steel-Reinforced, Aluminum Cab
- Chrome Grille and Air Intake Grille
- Front and Rear Tires: Michelin® XZE2 275/80R22.5 (14 Ply Radials)
- Single Front Wheels: Alcoa® Aluminum (22.5" x 8.25") *Outside Rims are Polished
- Dual Rear Wheels: Alcoa® Aluminum (22.5" x 8.25") *Outside Rims are Polished
- Valve Extensions
- Quick Disconnect Fitting with Tire Inflation Kit
- 4.78 Rear Axle Ratio
- Daytime Running Lights
- Tinted Door Glass and Operating Wing Windows
- Backup and Side View Cameras
- Leatherette Driver and Passenger Air Ride Seats with Swivel Bases
- 12V Accessory Ports
- CB Radio with Left Hand Mirror Mounted Antenna

- XITE® 6" Touch Screen Dash Infotainment System with AM/FM, Bluetooth®, Sirius/XM® (tuner and antenna), Rand McNally® RV Navigation with Lifetime Updates and Wi-Fi-Connected Services (live fuel, weather, and local search), and Dedicated Camera Button
- Chassis Battery Shut Off Switch in Cab
- One Valve Parking Brake System with Warning Indicator
- Engine After-Treatment Device, Automatic Over-the-Road Regeneration, and Dash-Mounted Regeneration Switch
- Momentary Battery Booster Switch for Connecting Chassis and House Batteries
- Marker Lights with Separate Interrupter Switch
- Low Air Pressure Light and Buzzer
- Cruise Control
- Adjustable Steering Column
- 18" Leather-Wrapped Steering Wheel
- Burlwood Woodgrain Driver Instrument Panels
- Power and Heated Exterior Mirrors
- Power Windows and Locks
- Air Horn
- 3-Point Seat Belts
- Dual Reading Lights
- Two (2) Cup Holders in Dash

Construction

- 2" Aluminum-Framed, Laminated Sidewalls with Block Foam Insulation
- Gel-Coat Fiberglass Walls
- Aluminum-Framed Floor
- Aluminum-Framed Roof Trusses
- Crowned, One-Piece Fiberglass Roof
- Foil-Lined Ductwork Throughout
- Fiberglass Front Cap, Rear Cap, and Front Wing Panels
- Automatic, 4-Point Hydraulic Leveling Jacks
- Dual-Pane, Dark-Tinted, Frameless Windows
- Seamless, Easy-Clean Rotocast Storage Compartments
- Side-Hinged, Locking Aluminum Exterior Storage Doors with Paddle Latches
- Electric Slide System

Exterior

- Custom Full Body Paint and Diamond Shield® Paint Protection

- Roof-Mounted, Integrated Armless Patio Awning with LED Lighting and Wind Sensor
- Aluminum-Wrapped Slideout Toppers
- LED Patio Light
- Entry Door with Rotary Latch; Dark-Tinted, Frameless Window; and Shade
- Keyless Entry Touch Pad at Coach Door
- Lighted Acrylic Entry Grab Handle
- Power Entry Steps
- Exterior Wall-Mounted Entertainment Center with 32" LED TV, AM/FM/CD/DVD Module, and Two (2) Speakers (N/A 35DS with Optional 2-Way Refrigerator)
- Front and Rear LED Clearance and Marker Lighting

Interior

- Ceramic Tile Flooring with Flex Grout
- Deluxe Carpet with Pad in Select Living Area Slide Rooms
- Soft-Touch Padded Vinyl Ceiling
- LED Recessed Ceiling Lights
- Coordinating Fabric Window Treatments and Lambrequins with Hardwood Trim and Crown
- Day/Night Roller Shades
- Cherry Hardwood Cabinetry
- Cherry Hardwood Raised Panel Passage Doors
- Full Extension, Soft-Closing Drawer Guides (where applicable)
- Hidden Hinges
- 40" Samsung® LED SMART TV (Living Area)
- Samsung® Blu-Ray® Home Theater AM/FM/CD/DVD System with 5.1 Surround Sound (Living Area)
- Lighted Entry with Non-Skid Rubber Steps and Risers
- Thermal, Reflective Front Privacy Shades
- USB Charging Ports

Kitchen

- 16 cu. ft. Residential Refrigerator with Ice Maker (Double-Door)
- Sealed Gas Range with Solid Surface Covers
- Convection Microwave Oven
- Solid Surface Countertops with Hand-Laid Tile Backsplash
- Double-Bowl Stainless Steel Sink with Solid Surface Covers

- Residential Single-Handle Faucet with Sprayer
- Pantry
- Under-Cabinet Lighting
- MaxxAir® Power Vent with Built-In Rain Cover and Remote

Bedroom or Bunk Area

- King Bed (67" x 75") with iCool® Gel-Infused Memory Foam Mattress
- Under-Bed Storage (Floor Plan Specific)
- Designer Bed Package
- 37BH: Bunk Bed Mattresses (28" x 76") and Privacy Partition
- 37BH: Two Bunk CD/DVD Players
- 32" Samsung® LED SMART TV
- Samsung® DVD Player with Sound Bar
- Cedar-Lined Wardrobe
- Nightstands with Solid Surface Countertops
- Deluxe Padded Headboard
- Deluxe Carpet with Pad
- LED Reading Lights
- USB Charging Ports

Bathroom

- Fiberglass Shower
- Shower Skylight
- Glass Shower Door
- Oxygenics Body Spa® RV Shower Head
- Solid Surface Countertop
- Under-Mount Sink with Residential Brushed Nickel Faucet
- Porcelain Foot-Flush Toilet (Floor Plan Specific)
- Porcelain Electronic-Flush Macerator Toilets (37RB)
- MaxxAir® Power Vent with Built-In Rain Cover and Remote

Utilities

- Dual 12V Group 4D AGM Auxiliary Batteries
- Battery Disconnect
- 50-Amp Service with Power Cord Reel
- 3,000W Pure Sine Wave Inverter/Charger
- 8kW Onan® Diesel Generator with Auto Transfer Switch (Mounted on Isolator Pads)
- Automatic Generator Start
- Dual Roof-Mount and Ducted 15,000-BTU Air Conditioners with Heat-Pumps

- Aqua-Hot® 400LP System
- Dual-Zone Thermostatically-Controlled Heating and Cooling
- 20.3-Gallon LP Tank (WC)
- LP Quick Connect
- Water Filtration System
- Interior Monitor Panel with LPG/Tank/Battery Readout
- Exterior Shower in Service Bay
- Power Water Hose Reel in Service Bay
- Exterior GFCI Receptacle
- Jack® Digital Antenna with LED Signal Strength Indicator
- Cable TV/Satellite Hookup in Service Bay
- Thetford® Sani-Con Turbo Macerator System
- Black Tank Flush
- Utility Compartment Heated by Aqua-Hot® System
- 12V On-Demand Water Pump
- Carbon-Monoxide, LP Gas, and Smoke Detectors
- Fire Extinguisher
- Winegard® In-Motion T4 Satellite (Dish® SD-HD, DirecTV® SD, BellTV® SD-HD)

Options

- Cab-Over Bed with 40" LED TV on Power Swing Arm (Extended Front Cap)
- Entertainment Center with 50" Samsung® LED 4K SMART TV and Fireplace in Place Of Loveseat (37BH & 37TS Only)
- Dual Reclining Theater Seats in Place of Sofa (N/A - 35DS)
