

2022 ENTEGRA COACH LUXURY DIESEL

LUXURY DIESEL

CORNERSTONE | ANTHEM | ASPIRE

A scenic view of a highway at sunset. The sun is low on the horizon, casting a warm orange glow over the scene. A large, dark cloud formation is prominent in the sky, partially obscuring the sun. The highway is a multi-lane road with a concrete barrier on the left side. In the background, there are rolling hills and mountains. The overall atmosphere is peaceful and adventurous.

MAKING THE RIDE EVEN SMOOTHER

Our family is proud to stand behind every Entegra Coach we build. In fact, our coverage is so comprehensive, we invite you to compare it to that of other manufacturers—we think you'll find we're in it for the long haul.

The Entegra Coach limited warranty covers your coach for two years, or the first 24,000 miles of use, whichever occurs first. For more information, visit EntegraCoach.com.

THE QUIETEST RIDING, BEST HANDLING COACH ON THE MARKET TODAY. PERIOD.

HERE'S WHY

1. SPARTAN® CHASSIS

Every Spartan® chassis comes with a best-in-class 3-year/50,000-mile transferable warranty, with no deductibles. Spartan® chassis also boasts an industry-best, 20-year transferable warranty on the frame as well as a Cummins® 5-year/100,000-mile engine warranty and an Allison® 5-year/200,000-mile transmission warranty.

Included in the limited warranty is roadside assistance provided by Coach-Net®, which offers service/towing through 40,000 service and repair facilities in the U.S. and Canada.

2. EXCLUSIVE X-BRIDGE™ FRAME

Our exclusive X-Bridge™ frame adds even more floor strength and structural rigidity, eliminating chassis flex and twisting; with it, the suspension—not the chassis—absorbs road shock and vibration.

3. FIVE-INCH-THICK FLOORS

The industry's thickest floor starts with a 3/4" 7-ply plywood for dramatic reductions in energy transmission, noise and vibration. Cabinets are screwed directly to the wood and tile is laid precisely around them; other manufacturers place cabinets on top of the tile, causing squeaks or cracking.

4. RESIDENTIAL-STYLE WALLS AND ROOF

Our roof combines crowned aluminum truss rafters on 16" centers with Flexfoil®, fiberglass insulation and 5/8" plywood decking. Our sidewalls and rear cap are the ONLY triple-insulated walls on the market. Featuring Styrofoam™, Flexfoil® and glued batt insulation, our triple-insulated walls keep the coach quiet, and you comfortable, on the inside.

5. BILSTEIN® MONOTUBE GAS PRESSURE SHOCKS

Designed specifically for luxury motorcoaches by Bilstein®, these shocks have 228% more surface area than twin-tube shocks for greater sensitivity and control. They virtually eliminate excessive sway and self-adjust.

THE PINNACLE OF LUXURY TRAVEL

It's no wonder the Cornerstone has been the #1 selling coach in the Cummins X 605HP engine category—and the 2022 model follows suit. Power meets beauty in this impressive package—and the new model year has even more to love. The new décor and modern interior design packages are just the beginning; driver and passenger will love the leather massaging seats in the cab and navigate with ease thanks to the iGO Primo navigation system with RV attribute routing. When it's time to park it, state-of-the-art entertainment systems, residential furniture and appliances and spacious living quarters will have you feeling right at home. This is a lineup you don't want to miss.

A BEAUTIFUL JOURNEY

As much a joy to drive as it is to relax in, the new Aspire will have you feeling right at home—anywhere. The 2022 model features upgraded Italian leather furniture—including a 100-inch reclining sofa option and all-new décor, wood and exterior paint choices. A new E-Z Steer™ column drive uses electrically powered steering (EPS), along with the normal belt driven hydraulic power steering pump to help combat driver fatigue and compensate for crosswinds. So sit back and enjoy the view—no matter where the road takes you.
