## Great floorplans.

More floor space.

And downright beautiful floors.

**Welcome inside the 2003 Navigator.**

This year, the coach is roomier than ever, with a wide range of floorplans and furnishings to suit your lifestyle perfectly. Choose from richly patterned fabrics or optional soft leather, all with beautifully coordinated accent pillows. The legless dinette table is now four inches longer with an added leaf and is accompanied by two chairs and two folding chairs. Wallpaper, day/night pleated shades, decorative wall lights and new solid surface window sills add touches of elegance throughout the coach. And oh yes, the floors. The living area features elegant new sculptured carpeting, while ceramic tile gives sleek and luxurious styling to the kitchen and bathroom.
