TANK AND LIQUID CAPACITIES

Fresh Water Holding Tank (gal.)	95	95	95	95	95	95	95	120
Grey Water Holding Tank (gal.)	70	70	70	70	70	70	70	60
Black Water Holding Tank (gal.)	40	40	40	40	40	40	40	40
Appliance LPG Tank (WC)⁷	38	38	38	38	38	38	38	38
Water Heater Tank (gal.)	10	10	10	10	10	10	10	10
Fuel Capacity (gal.)	125	125	125	125	125	125	125	150

Liquid Weight Reference: Water (gal.) = (8.3 lbs./3.8 kgs.) Fuel (gal.) = (7.1 lbs./3.2 kgs.) LPG (gal.) = (4.2 lbs./1.9 kgs.)

Metric Conversion: Multiply pounds x 0.453 to obtain kilograms. Multiply gallons x 3.785 to obtain liters.

CHASSIS

Frame: Liberty Chassis	Transmission: Allison® 3000 MH, 6 Speed w/Electronic Shifter
Engine: Cat® C9 400 HP, 8.8L	Alternator Amps: 200 Amp Leece Neville
Torque: 1150 lb.-ft. @ 1400 RPM	Tires: Goodyear® 295/80R 22.5 H

1. GVWR (Gross Vehicle Weight Rating): Means the maximum permissible loaded weight of the motor home. The GVWR is equal to or greater than the sum of the unloaded vehicle weight plus the net carrying capacity.
2. GAWR (Gross Axle Weight Rating): Means the maximum permissible loaded weight a specific axle is designed to carry.
3. Base Weight: Means the estimated weight of the motor home without fuel, options, water, cargo or passengers.
4. GCWR (Gross Combined Weight Rating): Means the value specified by the motor home manufacturer as the maximum allowable loaded weight of this motor home with its towed vehicle. Towing & braking capacities may differ. Refer to Fleetwood & chassis manufacturer manuals for complete information.
5. Length taken from front bumper to rear bumper (excludes accessories).
6. Excludes safety equipment & awnings.
7. Tank Manufacturer's listed water capacity (WC). Actual LP Gas capacity is 80% of water listing as required by the safety code.

N/A = Not Applicable

* The chassis manufacturer recommends the installation of a supplemental brake-control system to activate the brakes on the vehicle or trailer you are towing.

IMPORTANT— PLEASE READ: Product information, photography and illustrations included in this publication were as accurate as possible at the time of printing. For further product information and changes, please visit our website at www.fleetwoodrv.com or contact your local Fleetwood dealer. Prices, materials, design and specifications are subject to change without notice. All weights, fuel, liquid capacities and dimensions are approximate. Fleetwood has designed its recreational vehicles to provide a variety of uses for customers. Each vehicle features optimal seating, sleeping, storage and fluid capacities. The user is responsible for selecting the proper combination of loads (i.e., occupants, equipment, fluids, cargo, etc.) to ensure that the vehicle's capacities are not exceeded.

Liberty Chassis

Fleetwood® Exclusive.

In true American Coach Fashion, American Coach set out to design a superior, one-of-a-kind chassis that would be able to overcome the structural challenges created by designing floor plans with triple and quad slide-outs. The result: The Liberty Chassis. This exclusive American Coach design (patent pending) strengthens the structural integrity of the driving platform by creating a strong and rigid frame that resists flexing and provides a comfortable and unforgettable driving experience.

- ➊ **Huge 15,000 lbs. Towing Capacity.** Easily tows your favorite vehicle.
- ➋ **Laminated Storage Liners.** Easy to maintain, neat, clean look, durable.
- ➌ **E-Coated Structure.** Protects against corrosion. Enhances longevity, quality and reliability.
- ➍ **All Steel Structure.** Minimizes flex, enhances driving experience, strength and longevity.
- ➎ **Center-Mounted Fuel Tank.** Improved weight distribution.
- ➏ **Independent Front Suspension.** Optimum handling, enhances driving experience.

Setting the Standard in Motor Home Quality.

Fleetwood® prototypes are exposed to thousands of miles of durability testing. Those components that don't survive are redesigned until they do. This sets our standard in safety and durability.

Numerous floor plan choices. American Coach offers a wide variety of floor plans including double, triple and quad slides. This provides many choices to accommodate each customer's distinct needs.

Vacu-bond® Roof, Sidewalls and Floor. The Vacu-bond® process adds a great deal of structural integrity by laminating the sidewalls, floors and roof into a strong composite structure. This construction method is considered superior when compared to most competitors.

More Power. Tradition comes equipped with a Cat® C9 with 400 HP engine with 1150 lb.-ft. of torque @ 1400 RPM. This gives you plenty of power to tour the country at any pace you like.

The Pneumatic Entry Door Air Lock (optional). Is a unique feature that minimizes air intrusion, and wind noise when you are on the go. Avionics® has designed a superior entry door for American Coach.

Name Brand Components. Spartan®, Sony®, Dupont®, Avionics®, Flexsteel®, Moen®, Onan®, Norcold® and Dometic® to name a few. We gather the best name brands in the industry to create a superior coach for you.

What Drives You?

Maybe it's feeling like you're the only one on Earth. Perhaps it's the unique sense of closeness with the great outdoors. Or, it might be the joy that comes from spending quality time with family and friends. Whatever the reason, we know that you have a strong drive to experience everything that comes with spending time on the road. And for more than 50 years, we've shared that passion with you. Because we're RV enthusiasts ourselves, you can see our passion in the vehicles we design and build. Own a Fleetwood, and you'll feel like you're not just traveling, but embarking on an experience unlike any other. Set your own course for adventure and get out there and explore the world around you. Once you do, you'll see what it is that drives us — it's you.

RV OWNERCARE* is a limited one-year/15,000-mile and three-year/50,000-mile structural warranty, whichever occurs first, and it is fully transferable for the first 12 months. RV OWNERCARE is one of the RV industry's most comprehensive programs and includes systems, appliances, components and construction, with no deductible and no service charge. RV OWNERCARE coverage is provided from a company that will be around in the future to service your needs. See your nearest Fleetwood dealer for a full explanation of benefits and restrictions.

CLUB FLEETWOOD As a Fleetwood owner, you're eligible to become a member of our owners' group, Club Fleetwood. It's a perfect way to meet other Fleetwood owners who love to travel to beautiful resorts and vacation spots all across America. Call (877) 577-2560 and join the fun! Or visit www.fleetwood.com/clubs to learn more. For American Coach specific club information contact: American Coach Association (602) 625-7854, www.americancoachassoc.com or FMCA Chapter (505) 280-0513, www.americancoach-fmca.com.
