

2006 CYPRESS

FIFTH WHEEL
by Newmar

You're an experienced RVer. You know what you want. Maybe you're stepping up from your first, second or third RV — or looking to surround yourself with more comfort, while getting the most for your money. That's where Newmar experience comes in. You know the name. And you know of the quality, integrity and superior warranty support it represents.

The new 2006 Cypress fifth wheel showcases Newmar experience — and caters to yours. Cypress wraps you in Newmar's famous, old-world craftsmanship — with all the details that maximize your RV enjoyment — from hardwood, raised panel cabinet doors, freestanding dinette table and chairs, full video and audio entertainment center, right down to a wood magazine rack. It's the fifth wheel you've dreamed of owning.

Experience the Cypress, the next step up in your RVing lifestyle.

IT'S ALL ABOUT...

... EXPERIENCE

A

B

EXPERIENCE THE AMENITIES!

[A] Laminate kitchen countertop with oak edging provides ample work surface. Dual acrylic sink comes with drop-in Teflon® cover to expand counter area. A second sink cover is optional. [B] Switches and systems controls are thoughtfully grouped for easy access. [C] Cabinet toe kicks are another home-style touch. SuperStorage™ features include [D] deep kitchen drawers and [E] handy storage compartments in dinette chairs.

C

D

E

From the decorative, low-maintenance vinyl floor to the color-coordinated window valances, your Cypress kitchen and dining area provides a cozy, inviting gathering place. The eight-cubic-foot refrigerator is thermostatically controlled to keep food at just the right temperature. Raised panel refrigerator and freezer door fronts beautifully coordinate with the cabinetry. The flush-mount, three-burner range has dependable piezo ignition. The range also has a metal, bi-fold burner cover — and boasts a 22-inch oven. With the overhead microwave, the Cypress kitchen gives you loads of flexibility and capability for creating a snack or an elegant meal. Newmar also remembers the details that add so much to your RV mealtime enjoyment. You'll find a Corian® knife block behind the range...range hood with light and fan...a paper towel holder...and even a molded silverware divider tray. Kitchen cabinets and drawers abound with SuperStorage™ space. Drawers glide smoothly on metal guides, and stay securely closed while you're on the road.

32RLKS shown above with optional convenience package.

EXPERIENCE

THE COMFORT

After busy RVing days, nothing beats the tranquility of your Cypress bedroom suite. Quilted comforter and headboard, plus matching pillow shams and window treatments invitingly coordinate with Cypress décor. Two built-in speakers enable you to pipe in music from the Cypress entertainment center. This comfy bedroom environment is matched only by the convenience of its SuperStorage™ design. For example, a spacious, carpeted, under-bed compartment easily flips open thanks to hydraulic bed-top lifts. The full-width wardrobe with mirrored doors adds spacious storage flexibility — as well as a spacious look — to this home-like bedroom.

A well-thought-out bathroom completes the Cypress bedroom suite. The roomy shower has its own light — and a handy seat. A 10-gallon gas/electric DSI™ water heater ensures plenty of hot water for relaxing showers. The acrylic sink is mounted in a seamless laminate countertop. There's plenty of cabinet space below, plus a mirrored medicine chest and high-mounted light

strip above. The Cypress systems monitor panel is positioned at your fingertips on the wall behind the sink. The toilet is located in a separate water closet with a full size, hinged door. The water closet also houses a separate compartment for your 12-volt and 110-volt electrical system circuit breakers. All breakers are concealed neatly behind hardwood cabinet doors. Cabinets and drawers surround the door-side window for storage space galore! The unit includes a cedar-lined laundry hamper, a vanity top, and a TV shelf pre-wired with electric and antenna hookups.

32RLKS shown above with optional convenience package and washer/dryer prep.

NEWMAR VALUE ...DESIGNED INTO EVERY CYPRESS

INTERIOR COLOR OPTIONS

Your Cypress fifth wheel reflects Newmar's long history of product innovation and industry "firsts". You can depend on the exacting standards and meticulous care by which this fifth wheel is built. It's a showcase for Newmar value.

Quality Circle Award

Newmar has been recognized by the RV Dealer Association Quality Circle Award for its efforts on behalf of customers and dealers.

1. Cypress rides confidently on 16-inch Goodyear® G-rated tires as standard equipment (shown with optional polished aluminum wheels).
2. Utility components are located in a separate, easily accessible compartment.
3. Expansive pass-through SuperStorage™ area is heated and lighted. It boasts a handy cargo hook and three-way access.
4. The Newmar designed slideout mechanism provides years of smooth, dependable service.

CYPRESS "GREAT EIGHT"

Standard Exterior Value Features

EZ Lube® Axles allow RVers to periodically lubricate the bearings without removing hubs from the axles.

(Shown with optional polished aluminum wheels.)

Insulated and heated holding tanks are protected by the fully-enclosed underbelly.

Undermounted 16-inch G-rated Goodyear® spare tire is easy to access with lift kit.

Dark tinted safety glass windows provide protection from sun and added privacy — and enhance the RV's distinctive good looks.

Conveniently located dual battery box compartment accepts your choice of RV batteries.

In-line water filter helps ensure plenty of clean, clear water wherever you travel.

Late-night hook-up light at sewer hose termination point.

MOR/ryde® RE suspension with shocks and wet bolts significantly cushions and absorbs road shock to provide a softer ride and smoother, safer towing.
