

*Show that you've arrived.  
Before you even leave the curb.*

2007  
**REVOLUTION LE**  
CLASS A DIESEL

Liberty Chassis | One-Piece Windshield | Luxurious Furnishings | Tilting Instrument Panel | Hardwood Cabinetry

*Revolution LE 40E shown in Obsidian interior décor with Regency Cherry wood finish.*

REVOLUTION LE

*All dressed up with  
everywhere to go.*

*M*aking an impressive entrance with premium furnishings and style to burn, the Revolution LE turns other motor homes into six-wheeled wallflowers. Just imagine yourself lounging on the supple Ultraleather™ furniture near the giant LCD TV, plush carpeting underfoot. With tall 84" ceilings and triple or quadruple slide-outs, there's always room for more at your party. For those lucky enough to be invited, that is.

*Even the most impressive vintage would feel at home here.*

Enjoy a fine bottle of wine in a galley that's just as tastefully crafted. Constructed from rich solid wood, the cabinetry features raised panel doors and brushed nickel hardware that gleams with high-end style. All the appliances are top-of-the-line, chosen for their sleek design as much as for their dependability. In all, it's a worthy spot to toast your latest adventures.

REVOLUTION LE

∴ **THE HOME THEATER SYSTEM** includes a 26" LCD TV, DVD player and a digital satellite dish for crystal clear images.

∴ **THE FREE-STANDING DINETTE** (available) includes four chairs and an extension leaf. Surrounded by large windows, it's ideal for dinner by sunset.

∴ **THE CORIAN® SINK** is graced with a sparkling Moen® faucet with a pull-out sprayer. Dishwashing was never so posh and easy.

∴ **THE NORCOLD® REFRIGERATOR** provides a water dispenser in the door and 12 cu. feet of space for Chablis and cheese – plus your non-essentials. And the 4-door design provides compartments wide enough for party trays and full-size pizzas.

∴ **THE SPACIOUS PANTRY** contains pull-out shelves so it's easy to grab that midnight snack.

∴ **THE FULL-EXTENSION DRAWERS** give you access to the entire drawer, and slide easily. They stay closed in transit thanks to a new heavy-duty locking catch.

∴ **THE GE® CONVECTION MICROWAVE** cooks as beautifully as it looks, and much faster than a traditional microwave.

∴ **CORIAN® COUNTERTOPS** lend designer appeal to the galley while resisting stains and scratches. A small lip on the edge keeps spills off the furniture and floor.

∴ **CERAMIC TILE FLOORING** is set on the diagonal, just like in today's finest homes.

*With a bedroom retreat like this, why save it for after dark?*

:: **ABUNDANT STORAGE** includes a cedar-lined wardrobe with drawers and cabinets. See, you can take it with you.

:: **THE WASHER AND DRYER** (available) save your time and your quarters, artfully concealed in a cabinet.

:: **THE NEO-ANGLED SHOWER** is underneath a skylight that lets the sunshine in. Yet the shower stall is enclosed with obscured glass to maintain your privacy.

:: **THE 20" LCD FLAT PANEL TV** enclosed in the sleek cabinetry hugs the wall so it doesn't get in your path.

*Enjoy the star treatment in a grand bath with every amenity. The large mirror and vanity lighting help you look your best, the roomy medicine cabinet stores your supplies, and the Corian® countertops create an elegant setting.*

REVOLUTION LE

*I*n a room this beautiful, you may not want to close your eyes.

But once you stretch out on the roomy queen bed with its blissfully comfortable mattress, it will be easy for sleep to steal you away.

Especially after Leno or Letterman on the large LCD TV, with a quiet ceiling fan (available) stirring up a gentle breeze.

*Just looking at all that cushiony real estate makes your eyelids droop. A Sleep Number® mattress is also available. It allows you to customize the firmness on each side of the mattress independently.*

*Driven to extremes of quality.*

*Long drives don't have to be hard on your hands. The oversized, padded "Smart Wheel" is soft to the touch, and easy to hold onto for extended periods of time.*

*We* know that the driver holds not only the wheel, but also a tremendous responsibility. So we've expended some serious engineering brainpower to make your job easier. The instrument panel is integrated with the steering column, so it can tilt and telescope to many different positions for maximum visibility and comfort. The pedals adjust to your height, too. The wheel puts valuable controls literally at your fingertips, while the power visors keep the sun out of your eyes. That's better driving through technology.

REVOLUTION LE

*The tall one-piece windshield delivers a wide, unobstructed view from the cockpit. After all, isn't the whole point to see the majestic scenery from sea to shining sea? But the view is just as attractive from the outside. This windshield is Revolution's stylish calling card.*

:: **THE REAR VISION CAMERA** makes backing up easier, because the driver can clearly see behind and hear directions with one-way audio.

:: **THE KEYLESS REMOTE ENTRY** lets you easily lock and unlock your coach with the push of a button. No more fumbling to find the keyhole in the dark.

:: **SIDE MIRRORS** are heated to retain visibility in cold weather, and chrome-plated to make them cool.

:: **THE PASSENGER SEAT** adjusts six ways with power controls until the position is just right – down to the electric footrest. This seat is heated to keep you cozy in transit.

*Thanks to the Liberty Chassis,  
the Revolution LE is one smooth operator.*

**A 15,000 POUND TOWING CAPACITY†**

tows your vehicle, or your toys, without breaking a sweat.

**ELECTRO-COATING**

over the steel protects against corrosion.

**ALL-STEEL STRUCTURE**

creates a strong and rigid frame that resists flexing. This is the foundation for a superior chassis that can overcome the structural challenges of floor plans with triple and quad slide-outs.

**STORAGE COMPARTMENTS**

provide durable storage space for a mountain of stuff, and they hose out for easy cleaning.

**CENTER-MOUNTED FUEL TANK**

distributes weight evenly.

†The chassis manufacturer recommends the installation of a supplemental brake control system to activate the brakes on the vehicle or trailer you are towing. Hitch receiver ratings expressed are maximum for the hitch receiver installed and may require the purchase of additional equipment that is dependent on the weight of the towed load. Consult with hitch receiver manufacturer for further information.

**DUAL PANE WINDOWS**

provide insulation from outdoor noise and temperatures. And, they work in tandem with the Energy Management System to maintain comfort and save energy.

**IN-MOTION TRACVISION® SATELLITE SYSTEM**

(available) allows you to listen to satellite radio stations while traveling. And when you stop, your favorite TV station is available right away.

**SIDE-HINGED LUGGAGE DOORS**

(most doors) open sideways and lock into place so they won't swing shut when you're loading up.

**7.5 KW DIESEL GENERATOR**

by Onan® runs quietly to keep the peaceful atmosphere when boondocking.

Vehicle shown in Onyx with Edge graphics.

## REVOLUTION LE

Our exclusive Liberty Chassis makes the Revolution LE arguably the best riding diesel coach on the market. In fact, we placed a nickel on one of the frame rails while the engine was running – and the nickel did not move. That's how little vibration was created. The secret is the strong, rigid frame that strengthens the integrity of the driving platform and creates an extremely smooth driving experience. We designed it, and we're still impressed.

:: **THE DIESEL ENGINE** is a 400-horsepower Cat® C9 diesel with an Allison® 3000 MH transmission. That's some big muscle.

:: **THE PASS-THROUGH STORAGE** holds skis, kayak paddles and other long items, and an available slide-out tray makes them easy to retrieve.

:: **THE EXTERIOR ENTERTAINMENT CENTER** (available) lets you enjoy fresh air and your favorite shows. Includes a 20" TV on a swivel tray, AM/FM radio with CD player.

:: **THE SERVICE CENTER** gives you one central place to check and maintain your coach systems. Easy access to fuel filters, air dryer, injector primer pump, water fuel separator and your leveling system.

### DUAL AIR CONDITIONERS

are mounted on the roof to free up basement storage space and keep you comfortable year-round.

### FIBERGLASS ROOF

is one solid piece for leak-free living, with a contemporary dome shape and sleek radius corners.

### DUPONT® PAINT

is meticulously applied in two stages for the finest appearance and durability. A final clear coat seals and protects the graphics to keep the colors true.

### WINDOW AWNINGS

protect and shade the bedroom and front roadside windows.

### REAR CAP

features high-mounted taillights for better visibility, and a two-piece ladder that stows away when not in use.

*No matter which of these 16 you pick, it's sure to draw attention.*

REVOLUTION LE

## Why Fleetwood?

### Passion

We're truly passionate about the RV lifestyle. Fleetwood was founded by RV enthusiasts, and that tradition continues today.

### Warranty

Breathe easier with RV Ownercare, one of the best warranties in the industry. See your Fleetwood dealer for details.

### Quality

There's no cutting corners. Skilled craftsman build every Fleetwood RV for maximum durability and longevity.

### Trust

More people trust Fleetwood. After all, we've spent over 50 years perfecting RVs, earning the loyalty of generations of RVers.

### Service

Help is nearby. When you need an upgrade or repair, you'll find facilities all across North America and more than 1,100 dealers ready to assist you.

## Interior wood finishes

Regency Cherry

Summit Ash

Windsor Birch

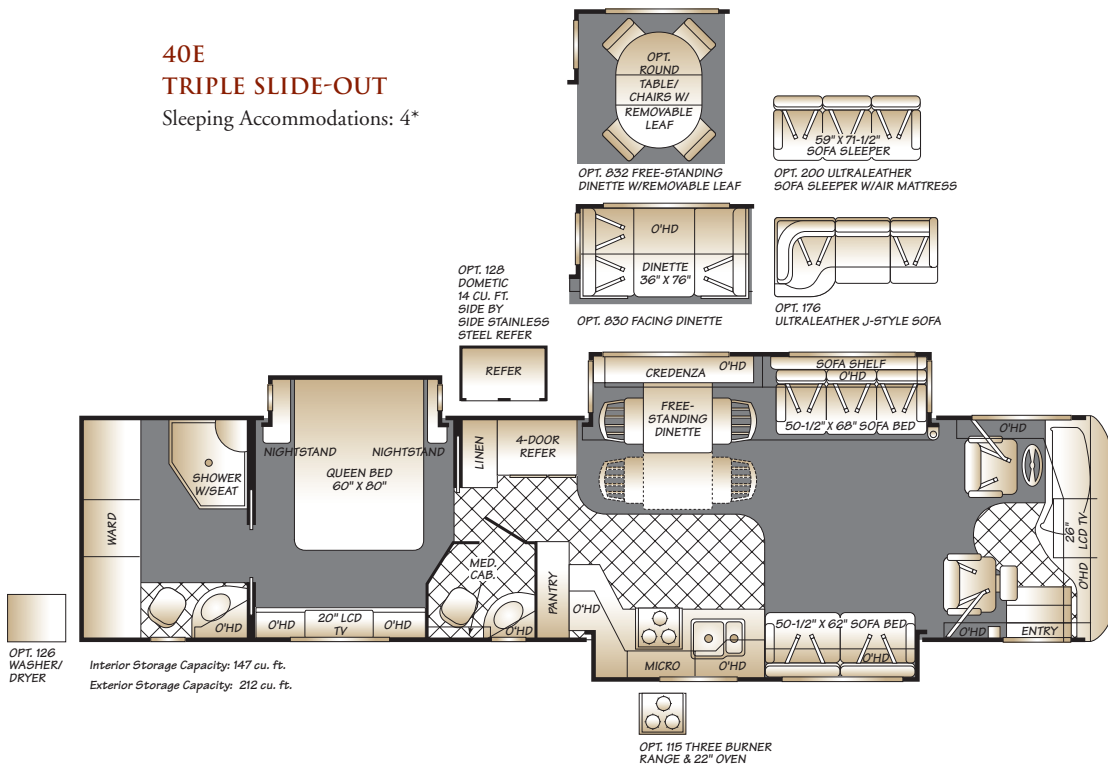

## Mix And Match Décor.

We've carefully selected the most dramatically beautiful décor choices. Now, just pick the interior motif, the wood finish and the exterior graphics you like best. Each fabric is not only durable, but feels pleasurable to touch. For example, the Ultraleather™ fabric looks like premium leather, but it's softer and also easier to clean. Ultraleather covers the Flexsteel® furniture, which has a lifetime warranty on the frame. In the Revolution LE, comfort, durability and luxury can go hand in hand.

*Three floor plans, each offering amazing space.*

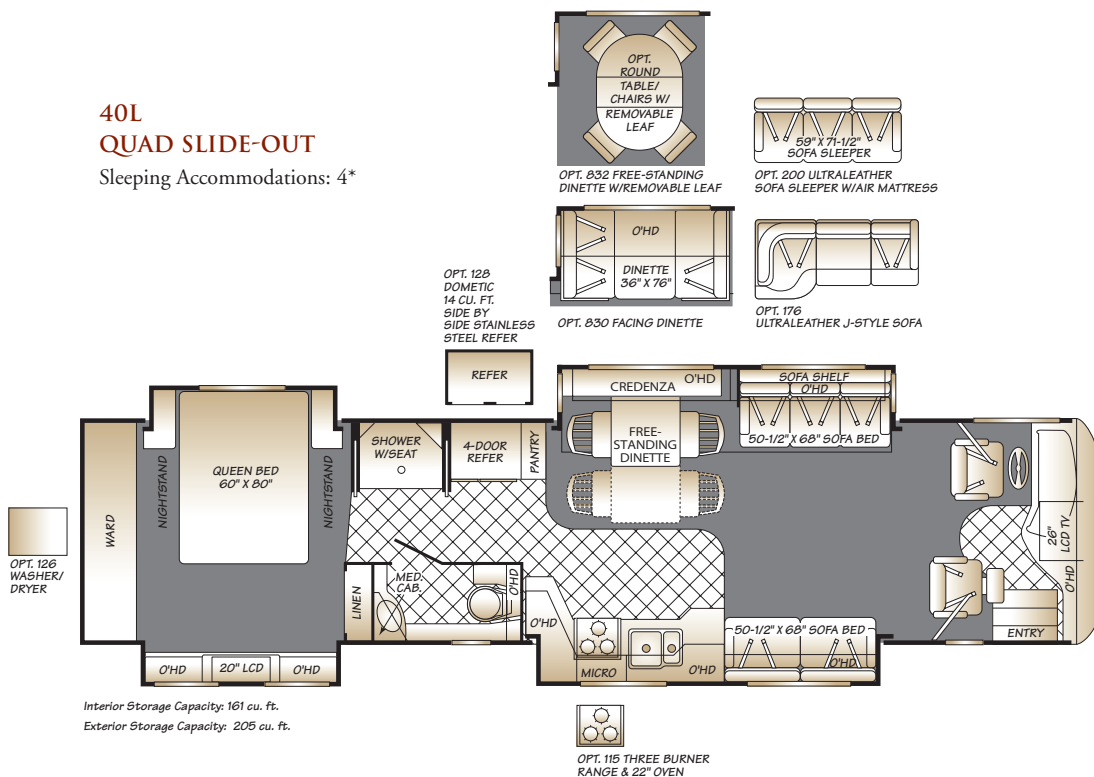

## 40E TRIPLE SLIDE-OUT

Sleeping Accommodations: 4\*

## 40L QUAD SLIDE-OUT

Sleeping Accommodations: 4\*

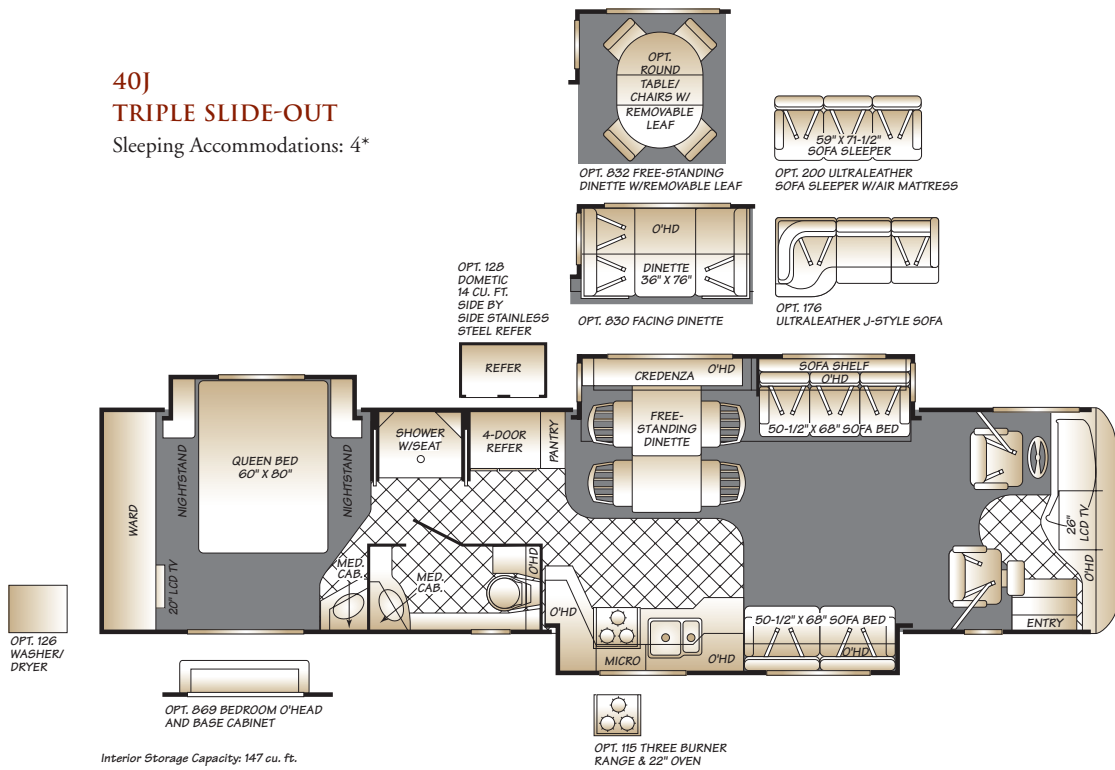

REVOLUTION LE

Liquid Weight Reference: Water (gal) = (8.3 lbs/3.8 kgs). Fuel (gal) = (7.1 lbs/3.2 kgs) Propane (gal) = (4.2 lbs/1.9 kgs).

Metric Conversion: Multiply pounds x 0.453 to obtain kilograms. Multiply gallons x 3.785 to obtain liters. Multiply liters x 61 to obtain cubic inches.

## CHASSIS

Model: Spartan® Chassis  
 Engine: Cat® C9 w/ 400 HP  
 Torque: 1150 lb-ft @ 1400 RPM

Transmission: Allison® 3000 MH, 6-Speed w/Electronic Shifter  
 Alternator Amps: 160 Amp Leece Neville  
 Tires: Goodyear® 295/70R 22.5H

- GVWR (Gross Vehicle Weight Rating) is the maximum permissible weight of this fully loaded motor home. The GVWR is equal to or greater than the sum of the unloaded vehicle weight (UVW)\* plus the cargo carrying capacity (CCC)\*.
- GAWR (Gross Axle Weight Rating) is the maximum permissible loaded weight a specific axle is designed to carry.
- Base Weight is the estimated weight of the motor home without fuel, options, water, cargo or passengers.
- GCWR (Gross Combined Weight Rating) is the value specified by the motor home manufacturer as the maximum allowable loaded weight of this motor home with its towed vehicle. Towing and braking capacities may be different. Refer to Fleetwood and chassis manufacturer's manuals for complete information.
- Length taken from front bumper to rear bumper (excludes accessories).
- Excludes safety equipment and awnings.
- Motor homes feature a body-width over 96" which will restrict your access to certain roads. Before purchasing, you should research any state and/or province road laws which may affect your usage.
- Tank manufacturer's listed water capacity (WC). Actual propane capacity is 80% of water listing as required by the safety code.

† The chassis manufacturer recommends the installation of a supplemental brake control system to activate the brakes on the vehicle or trailer you are towing. Hitch receiver ratings expressed are maximum for the hitch receiver installed and may require the purchase of additional equipment that is dependant on the weight of the towed load. Consult with hitch receiver manufacturer for further information, available at time of printing.

\*UVW and CCC are found on the cargo carrying capacity label in each RV.
