**MULTI-LEAF
SUSPENSION**

**RUST-PROHIBITIVE
COATING ON FRAME**

**ERGONOMICALLY
SPACED STEPS**

STABIL-RIDE™

Suspension System
The best just got better. The optional Stabil-Ride™ suspension system integrates parabolic leaf springs, auxiliary springs, a stabilizer bar and tuned shocks, designed to provide a low maintenance, stable ride comparable to the ride of a diesel pusher. Enjoy unsurpassed handling with reduced body sway particularly while cornering and superior straight-line stability.

Gulf Stream specifies an extra heavy duty hitch rated at 10,000 lb, however it is up to the owner not to exceed the Gross Combined Weight Rating (gcwr). gcwr is calculated as follows:

- 22,000 gcwr is loaded to its maximum of 22,000 lb, this would leave towing capacity of 4,000 lb. to the 26,000 gcwr.
- 19,500 gcwr is loaded to its maximum of 19,500 lb, this would leave a 4,500 lb. towing capacity to 26,000 gcwr.

Towing capacity can be increased by reducing payload appropriately.

- INTENSE 22,000 LB. GVWR (6378)
- 19,500 LB. GVWR (6331, 6340, 6316)
- SUPERIOR TOWING CAPACITY 26,000 GCWR
- 10,000 LB. HITCH RATING

Backup monitor built in the overhead console for unobstructed viewing and safer backing

Breakaway mirrors fold 90 degrees inward or outward to manage tight spaces reducing the risk of damage

126-square inch-surface mirror including a 6x7 inch convex section on both mirrors.

**ALLISON™ 1000 SERIES
AUTOMATIC TRANSMISSION (standard)**
5 speed 1000
Gross Torque (lb-ft) 620

VISIBILITY AND MANEUVERABILITY

Negotiating a tricky curve in the campground or on a major city street there will be no reason to worry while you're in the Chevrolet Kodiak. With a 54 degree turning radius, giant mirrors, large windshield and sloped hood this vehicle drives more like a light duty truck. Sloped hood allows the driver to see just a mere 13 feet in front of them, doubling their field of vision versus the competition's 26 feet!

ENDURA

SOLID HARDWOOD CABINETS

**PREDRILLED
HARDWOOD
CONSTRUCTION**

Our residential style cabinets are constructed of solid hardwood doors and fronts that are predrilled and screwed then they are stained and top coated with a furniture grade finish that provides long lasting beauty and durability as well as adding strength and quietness to your motorhome.

COMPETITOR'S CABINETS

Other companies use wrapped cabinet fronts prone to peeling, fading and tearing. The softer composite wood used does not hold screws as well as hardwood resulting in loss of strength and squeaking. Discoloration will degrade the beauty and lower the value of the motorhome.

**GALVANIZED
STEEL
STORAGE
COMPARTMENTS**

Seamless, carpeted, galvanized steel storage compartments safely cradle your valuables. Rust protective paint and foam sealed, extended life and a quiet ride.

Excellent Weathering - Maintaining the vehicle's quality appearance enhances its resale value.

Tear Resistance - Flexroofs hard abuse resistant finish resists tearing, a condition that can cause leaks and lead to expensive repair.

Low Maintenance - Road grime can easily be removed with normal cleaning maintenance. Rubber chalking due to solar breakdown of the roof surface is eliminated, preserving the original appearance and resale value of the vehicle.

Stain Resistance - Fiberglass Flexroof is designed to resist staining and maintain its quality appearance.

Structural Integrity - Unlike conventional EPDM rubber roof membranes, Flexroof is a structural component of the roof system.

Textured Fiberglass - Helps dissipate heat and prevents free limbs from tearing or scratching your roof.

Seamless
FIBERGLASS ROOF

Comfort Plus furniture by Gulf Stream Coach features residential styling, solid construction, total comfort and a comprehensive warranty.

FLUSH FLOOR
slide out rooms

Gulf Stream offers true flush floor slide out rooms to give you more headroom in the slide and eliminates the step up into the slide room that you will experience in many of our competitors motorhomes.

**HIGH EFFICIENCY
VAC
H-DUCTED
ROOF AIR**

Dual metal H-Ducted air conditioning system with foil bubble wrapped insulation for superior climate control.

The Endura has nearly 7' interior ceilings for a residential look and feel with 6 foot ceilings in the slideroo

Cradle of Strength

1. Seamless Fiberglass Roof For Greater Energy Efficiency and Dependability.
2. Luan Decking for Additional Strength.
3. Molded, High Density EPS (Expanded Polystyrene) Roof Brick Insulation - Provided Consistent Insulation Value as well as Superior Dimensional Rigidity.
4. One-Piece Formed Aluminum Air Conditioning Duct, Completely Surrounded By EPS Insulation.
5. Bubble-Wrapped Foil Insulation Provides Superior Insulation and Helps Prevent Condensation.
6. Rugged Welded Tubular Aluminum Roof Framing.
7. Rugged Heavy-Gauge Tubular Aluminum, Fixture Welded to Form the Sidewall Framing.
8. High-Density EPS Insulation Provides Superior Lamination and Bonding Characteristics and Insures Greater Energy Efficiency.
9. Interior Wall Panels Securely Laminated to Sidewall Framing.
10. "Super-Slick" Fiberglass Exterior Vacuum-bond Laminated to Sidewall Framing for Lasting Beauty and Durability.
11. High-Quality Stain-Resistant Carpeting Available in Designer Coordinated Colors.
12. Extra-Thick Padding Under Carpet Provides Extra Comfort and Increases Carpet Durability.
13. Seamless Structurewood Floor Decking Laminated to Steel Floor Structure Assures a Quiet, Long-Lasting Rigid Floor.
14. Heavy-Gauge Tubular Steel Framing, Fixture Welded for Extra Strength and Stability.
15. Heavy-gauge Tubular Steel Framed, Fixture Welded Floor Truss System Provides the Strongest Foundation in the Industry.
16. Seamless Layer of Galvanized Steel Securely Laminated to the Steel Floor Framing.
17. Galvanized Steel Used to Form Each Storage & Holding Compartment.
18. Durable All-Weather Carpeting Completes Each Accessible Storage Compartment, Providing Extra Protection for Luggage and Valuables.
19. Rust-Prohibitive Paint Coating Applied to All Steel Framing Assures Corrosion and Rust Protection.
20. The Industry's Strongest, Most Spacious Exterior Storage Compartments.
21. Reinforced Heavy-Gauge Steel "W" Transition.

SUPER STRENGTH TRUSS SYSTEM

8" C CHANNEL EXTENSION

TUFF TRUSS
6000 lbs.

TAKE THE TIME TO COMPARE...

and you will see the exceptional value of a Gulf Stream Coach

The Cradle of Strength super strength truss system is unmatched in the RV industry. The structural subfloor foundation begins by welding a network of integrated steel trusses to the chassis rail. Specifically designed to distribute and transfer the tremendous forces from the coach to the chassis rail these trusses are individually tested to withstand 6,000 pounds each.

When the chassis is stretched, Gulf Stream stands alone in the industry by using a full 8" C channel extension versus the traditional 4" or less. This practice adds to the strength of the foundation and offers peace of mind that towing is safe on an extension that is true to the chassis.

DEDICATED TO QUALITY,
INNOVATION AND
VALUE.

Gulf Stream Coach

has been a manufacturer of recreational vehicles for over 20 years. Our slogan, "Family Value", speaks to our family-owned company, the value offered in our products and to our customers.

We use advanced manufacturing techniques to build everything from entry-level travel trailers to luxury motorhomes. We offer the largest product line in the industry.

RV dealers and consumers look to Gulf Stream for high-value products offering quality construction, innovative features, contemporary design, unmatched service and on-going support.

We'd love to have you as part of the family

The Gulf Streamers RV Club is a valuable benefit to all Gulf Stream owners. Members enjoy staying active and participating in the various rallies and caravans offered throughout the United States and Canada. The Main Stream, the club Magazine, with up-to-date product information, service tips and company highlights. Members benefit from the Emergency Road Service and Gulf Streamers Insurance options. Both are available at competitive rates with friendly, reliable service. The 10% discount program at campgrounds throughout the U.S. and Canada. As a member, you'll receive discounts at National Theme Parks and special attractions, including RV and travel guides, directories and magazines.

Gulf Streamers spend time touring attractions, enjoying fabulous meals, taking in area highlights and shows to help make the most out of your RV experience. Special rallies throughout the year include Gulf Stream supplier seminars, complimentary minor repairs by Gulf Stream technicians, Gulf Stream dealer product displays and round table discussions to voice your product improvement ideas.
