Class A Motorhome

FW Four Winds
INTERNATIONAL

ESPRESSO INTERIOR DECOR / CHERRY CABINETRY

LIVE A LITTLE! Now you can enjoy first-class comfort and elegant style while on the road in the Hurricane Class A motorhome. You'll find a wide selection of single, double and triple slide-out floorplans from which to choose.

INFINISS™ LEATHER FURNITURE options add a touch of elegance to any model. The hide-a-bed sofa is now available with an air mattress that can be quickly and easily inflated and deflated. Model 34S (above) is shown with a standard 24" front-mounted television, leather Euro recliner with

ESPRESSO INTERIOR DECOR / CHERRY CABINETRY

ottoman and optional Infiniss™ Leather hide-a-bed sofa. Models 34B, 34N and 34S are available with an elegant curio cabinet that has countertop space and cabinet storage below.

CYPRESS GREEN INTERIOR DECOR / CINNAMON MAPLE CABINETRY

THE KITCHEN (top) is fully equipped with name brand appliances and loaded with convenience features such as a flip-up countertop extension and ample storage space.

HURRICANE BEDROOMS offer a wide selection of convenience features. Model 34N, shown with Janus Sterling interior decor and Cherry cabinetry, has a lighted vanity with upholstered seat (left). Model 34S, shown with Cypress Green interior decor and Golden Maple cabinetry is available with a sofa and large wardrobe with mirrored doors and storage drawers (above).

Interior Decor

MASTER BEDROOM (top right) is shown with Cypress Green interior decor and Cinnamon Maple cabinetry. Model 34B (above), shown with Espresso interior decor and Golden Maple cabinetry, offers bunk beds—a very popular feature for families traveling with children.

INTRODUCING THE Class A Sport Recreation Vehicle

NEW 34'Y

CHANGE THE WAY YOU PLAY with the Hurricane Sport Recreation Vehicle. It combines a comfortable living area up front with a roomy cargo area in back. You can take your favorite sports vehicles or hobby equipment on the road with you—safely and securely. An optional electric drop-down bed in the cargo area expands the total sleeping capacity.

2008 EXTERIORS

THE FOUR WINDS INTERNATIONAL QUALITY DIFFERENCE

What sets Four Winds International apart from other manufacturers? It's a better level of quality built in each motorhome from the inside out. It's exceptional value that is integrated into each design. It's a dedication to innovation that allows us to continually improve our motorhomes. Our ultimate goal is to build the right combination of safety, functionality and reliability so you get many years of enjoyment from your new motorhome. It's a commitment we take seriously, and one on which you can depend.

THE DIFFERENCE IS CLEAR

At Four Winds International (FWI), we strive to go beyond your expectations with every motorhome we build. By doing so, you will experience a better quality of life while on the road.

Our nationwide dealer network is fully equipped and trained to meet your

service needs. The FWI support staff has many years of experience, and is available to provide assistance on all technical, service and warranty issues. For complete warranty details, contact your Four Winds International dealer.

FWI is proud to offer high-quality products and support services that result

you'll enjoy many years of adventures in your new motorhome. This is the Four Winds International difference.

WHY THOR IS YOUR BEST RV VALUE

Thor Industries, Inc., listed on the New York Stock Exchange (THO), proudly traces its history back over 70 years to the pioneering days of the recreational vehicle industry with the founding of Airstream, the industry's oldest and most renowned brand. Our total commitment to quality and our philosophy of putting our customers first has led to our continuous growth.

Today, Thor is the largest builder of recreational vehicles. Thor's strong financial condition and years of solid growth are your assurance that we will be here to serve you for years to come.

We think this extra peace of mind is important when you are making a significant investment. Because our customers are always #1 with us, we work harder than other manufacturers to satisfy you.

www.FOURWINDS-RV.com

in customer satisfaction—one customer at a time. So whether you are a first-time recreational vehicle owner, or an experienced one, we're confident that

VEHICLE LOADING: Every effort has been made to provide the greatest number of options for the recreation vehicle owner. Along with these choices comes the responsibility to manage the loads that are imposed by the choices so that they remain within the manufacturer's specified chassis weight limits. Do not overload the recreation vehicle.

IMPORTANT: Towing capacity may vary by chassis model, floorplan, options and loading of the vehicle. This may result in a towing capacity which is less than the maximum capacity of the hitch. Do not exceed the vehicle's Gross Combined Weight Rating (GCWR), or the hitch rating. A separate functioning brake system is required for any towed vehicle or trailer weighing more than 1,000 lbs.

(450 KG) when fully loaded. Liquid capacities and weights are approximations only.

WARNING: This information is intended as a guide only. Weights of individual vehicles may vary. Consult your owner's manual and weight sticker affixed to each vehicle for complete loading, weighing, and towing instructions. Actual filled LP capacity is 80% of listing due to safety shut-off required on tank.

WARRANTY: This vehicle is provided with a one-year, 15,000-mile limited warranty and a three-year, 45,000-mile limited structural warranty. Chassis, component part and appliance manufacturers issue limited warranties covering those portions of the vehicle not covered by the limited warranties

issued by Four Winds International. To learn what portions of the vehicle are excluded from coverage under the limited warranties issued by Four Winds International, please contact your selling dealership or Four Winds International directly, or review the warranty packet inside the vehicle.

Product information, specifications, and photography in this brochure were as accurate as possible at time of printing. Photographs may contain some features that are optional on your vehicle. Since we continually strive to improve our products, actual products may differ. The manufacturer reserves the right, at any time, to make changes in product design, materials, component specifications and pricing, without notice. All capacities are approximate and dimensions are nominal. Some features or options may be different or unavailable in Canada.
