

FW Four Winds

UNLOCK A WORLD of travel possibilities! Now you can enjoy first-class comfort and elegant style while on the road in the Windsport Class A motorhome. You'll find a wide selection of innovative floorplans from which to choose.

THE SPACIOUS LIVING AREA in Model 36R (top) features a full 32" LCD television in the living room entertainment center and round free-standing dinette. It is also shown with optional Infiniss™ Leather driver and passenger captain's chairs and a hide-a-bed sofa with recliner. Other basement models are available with a standard 27" television or optional 32" LCD television in the front overhead.

THE FULLY EQUIPPED KITCHEN (shown above) offers name brand appliances and convenience features to meet your food planning and preparation needs. The handy flip-up countertop extension gives you even more countertop space, and there is plenty of cabinet space to store food items and cookware.

CHOCOLATE CAFE INTERIOR DECOR/ CHERRY CABINETRY

WINDSPORT SEMI-BASEMENT MODELS are designed to meet a wide range of lifestyle needs—from the casual to the full-time recreational vehicle enthusiast. Model 32E (top) is shown with a standard both dinette, as well as optional Infiniss™ Leather hide-a-bed sofa, and driver and passenger captain's chairs.

These versatile non-slide, double and triple slide-out floorplans offer a spacious living area, fully equipped kitchen, cozy bedroom and bath area with all the conveniences of home.

THE KITCHEN in Model 31D (left) includes a microwave oven, three-burner, high-output cooktop with oven and double door refrigerator with raised panel inserts. It has a flip-up countertop extension that provides even more counterspace when preparing meals. There is plenty of cabinet storage for all of your food items, cookware and dishes.

This double slide-out model has opposing sofa and dinette slides, and is shown with an optional Infiniss™ Leather hide-a-bed sofa.

THE LIVING AREA in Model 36R (above) is perfect for those who like to entertain while traveling. This triple slide-out floorplan includes a round free-standing dinette with four chairs and two large windows that let in plenty of natural light.

The large 32" LCD television in the living room entertainment center allows you and your guests to watch television comfortably. A hide-a-bed sofa with a built-in reclining footrest provides additional seating and sleeping accommodations when needed.

OPTIONAL CINNAMON MAPLE

STANDARD GOLDEN MAPLE

ALL NEW MEGA STORAGE offers more exterior storage than most Class A motorhomes. The extra-large rear storage compartment has convenient exterior doors for easy access. It also features recessed storage bins with lids and a campsite folding table.

CHANGE THE WAY YOU PLAY

with the Windsport Sport Recreational Vehicle. It combines a comfortable living area up front with a roomy cargo area in back. You can take your favorite sports vehicles or hobby equipment on the road—safely and securely. But that's not all!

THE VERSATILE CARGO AREA can be used as an additional area to entertain guests, as well as a sleeping area when additional accommodations are required. An electric drop-down queen-size bed with inner-spring mattress is locked into a wall mounted track. An electric control allows you to raise and lower the bed as needed.

AN OUTSIDE ENTERTAINMENT center (above right) is available with a 32" LCD television and remote stereo speakers; plus an AM/FM stereo with a compact disc player and speakers in the cargo area.

#### THE FOUR WINDS INTERNATIONAL QUALITY DIFFERENCE

What sets
Four Winds
International
apart from other
manufacturers? It's a better
level of quality built in each motorhome
from the inside out. It's exceptional value
that is integrated into each design. It's
a dedication to innovation that allows

us to continually improve our motorhomes. Our ultimate goal is to build the right combination of safety, functionality and reliability so you get many years of enjoyment from your new motorhome. It's a commitment we take seriously, and one on which you can depend.

#### THE DIFFERENCE IS CLEAR

At Four Winds International (FWI), we strive to go beyond your expectations with every motorhome we build. By doing so, you will experience a better quality of life while on the road.

Our nationwide dealer network is fully equipped and trained to meet your service needs. The FWI support staff

VEHICLE LOADING: Every effort has been made to provide the greatest number of options for the recreation vehicle owner. Along with these choices comes the responsibility to manage the loads that are imposed by the choices

so that they remain within the manufacturer's

specified chassis weight limits. Do not overload the recreation vehicle.

IMPORTANT: Towing capacity may vary by chassis model, floorplan, options and loading of the vehicle. This may result in a towing capacity

which is less than the maximum capacity of the hitch. Do not exceed the vehicle's Gross Combined Weight Rating (GCWR), or the hitch rating. A separate functioning brake system is required for any towed vehicle or trailer has many years of experience, and is available to provide assistance on all technical, service and warranty issues. For complete warranty details, contact your Four Winds International dealer.

FWI is proud to offer high-quality products and support services that result in customer satisfaction—one customer

www.FOURWINDS-RV.com

at a time. So whether you are a firsttime recreational vehicle owner, or an experienced one, we're confident that you'll enjoy many years of adventures in your new motorhome. This is the Four Winds International difference.

#### WHY THOR IS YOUR BEST RV VALUE

Thor Industries, Inc., listed on the New York Stock Exchange (THO), proudly traces its history back over 70 years to the pioneering days of the recreational vehicle industry with the founding of

Airstream, the industry's oldest and most renowned brand. Our total commitment to quality and our philosophy of putting our customers first has led to our continuous growth.

Today, Thor is the largest builder of recreational vehicles. Thor's strong financial condition and years of solid growth are your assurance that we will be here to serve you for years to come. We think this extra peace of mind is important when you are making a significant investment. Because our

customers are always #1 with us, we work harder than other manufacturers to satisfy you.

weighing more than 1,000 lbs. (450 KG) when fully loaded. Liquid capacities and weights are approximations only

**WARNING:** This information is intended as a guide only. Weights of individual vehicles may vary. Consult your owner's manual and weight sticker affixed to each vehicle for complete loading, weighing, and towing instructions. Actual filled LP capacity is 80% of listing due to safety shut-off required on tank.

**WARRANTY:** This vehicle is provided with a oneyear, 15,000-mile limited warranty and a three-year, 45,000-mile limited structural warranty. Chassis, component part and appliance manufacturers issue limited warranties covering those portions of the vehicle not covered by the limited warranties issued by Four Winds International. To learn what portions of the vehicle are excluded from coverage under the limited warranties issued by Four Winds International, please contact your selling dealership or Four Winds International directly, or review the warranty packet inside the vehicle.

Productinformation, specifications, and photography in this brochure were as accurate as possible at time of printing. Photographs may contain some features that are optional on your vehicle. Since we continually strive to improve our products, actual products may differ. The manufacturer reserves the right, at any time, to make changes in product design, materials, component specifications and pricing, without notice. All capacities are approximate and dimensions are nominal. Some features or options may be different or unavailable in Canada.
