

MOUNTAIN AIRE

NEWMAR

2012 | MOUNTAIN AIRE
A LEGEND, REDEFINED.

A WINNING LOOK.

Mountain Aire's new exterior graphics and paint schemes will get you noticed on the road. Its signature Newmar Full-Paint Masterpiece™ Finish and Super Clear Coat make the impression a lasting one.

2012 MOUNTAIN AIRE LUXURY MOTOR COACH

DID WE MAGICALLY EXPAND ITS INTERIOR? OR IS IT YOUR IMAGINATION?

The 2012 Mountain Aire coach seems to open up before you seamlessly. Its unique new floor plan, with entry side dinette and facing streamlined Eurostyle lounges, creates the perfect space for entertaining or relaxing. The kitchen, with its large picture window, pushes back toward the rear of the main coach to give the chef some breathing room. Flush floor slides create a smooth, seamless look. And its Cummins® 450 HP diesel power opens up the road, too.

**FOR A PARTY OF TWO
OR A REUNION, YOUR
DELUXE COACH AWAITS.**

Mountain Aire's newly designed polished tile floor creates the impression of an area rug. Yet its flush floor slides create a smooth look that makes the main coach seem larger. Paneled hardwood fascia with built-in lighting add a soft mood to the space. And each roomy hardwood cabinet is handcrafted by Amish artisans who meet Newmar's exquisite fit and finish standards.

COMFORT
The new Mountain Aire interior gives you bountiful comforts and a wide range of rich decor schemes. Including even more plush UltraLux leather furniture with designer cording trim and stainless appliances like the microwave convection oven and optional residential refrigerator.

EYE-CATCHING DESIGN
Mountain Aire's main coach area features an 'area rug' design in tile, flush floor slides and comfy furniture. Polished Corian® countertops with a checkerboard tile backsplash create a dramatic effect in the kitchen. A 40" Sony® LCD TV with Surround Sound Dolby Digital and DVD player tucks neatly in the front overhead area.

THE KITCHEN THAT IS ALSO A ROOM WITH A VIEW.

Some kitchens are strictly utilitarian; others are inspiring. Mountain Aire's is both. Fine handmade hardwood cabinets surround its L-shaped design, complete with a designer backsplash and polished Corian® countertops. The chef will be smiling.

TOP

Metallic flower and leaf backsplash tile accents bring a touch of nature to Mountain Aire's kitchen.

RIGHT

A streamlined Flexsteel™ dinette lets you enjoy breakfast, lunch or dinner in comfort. Or just relax and watch the sun set through the spacious kitchen and dinette windows.

SLEEP NUMBER BED*

QUILTED LEATHER AND HARDWOOD SCROLLED HEADBOARD

BEDROOM

The Mountain Aire bedroom shines. Literally. With two softly lit hardwood panels on each side of its king size Sleep Number® Bed*. Its quilted leather and hardwood scrolled headboard will encompass you. Its 40" Sony flatscreen TV with Bose Wave® surround sound and Blu Ray will absorb you completely.

BATHROOM

The designer checkerboard tile pattern over a Corian® countertop surrounded sink creates a focal point in this well appointed Mountain Aire bathroom. And the radius shower with optional teak shower seat afford you some well deserved pampering.

BATHROOM

YOUR NEW COACH AWAITS.

Mountain Aire for 2012. Its sleek new exterior graphics come in an array of paint color schemes that coordinate perfectly with its tasteful interior decor. To add to your comfort, Polar Pak R-19 roof insulation is now a standard feature.

NEW FRONT GRILL

NEW HEADLIGHT ASSEMBLY

COMFORT DRIVE™ EQUIPPED

ULTRALUX LEATHER CHAIR

TAKE CONTROL

Mountain Aire's Comfort Drive™ Steering with adjustable control and optional TripTek™ electronic travel information gives you the easiest possible driving experience.

SINK IN

An even more comfortable, cushy captain's chair in UltraLux leather awaits your next journey, including corded designer trim.

FREIGHTLINER

DRIVE WITH A LIGHT TOUCH. THE ROAD IS YOURS.

Comfort Drive™, another exclusive Newmar innovation, means less effort turning the wheel when you back up or turn. The steering wheel returns to center automatically, even after hard turns. And with Comfort Drive™, you steer with a light grip, making long trips less tiring.

Mountain Aire's 43' Freightliner chassis comes prewired for an optional Eaton Vorad Smart Cruise System. When approaching slower moving traffic with the system active, it adapts your coach's cruise speed to that of the closest vehicle ahead, allowing your coach to maintain a specific following distance while in cruise control. Together, these systems offer you the ultimate in driver safety and confidence.

INCOMPARABLE MOUNTAIN AIRE CONSTRUCTION

The Freightliner® XCR's strong chassis with 50,000 PSI frame rail provides Mountain Aire with a solid, confident foundation. This – and Mountain Aire's GVWR of 47,000 pounds, with a 10,000 pound tag axle, allows Mountain Aire to expand beyond its chassis footprint, creating extra living space. Its Cummins® ISL 450 HP engine gives you incredible maneuverability and power, even on steep inclines. And if you should ever need it, Newmar's roadside assistance program is in place for the entire warranty period.
