Autumn Ridge 289BHS | Safari

#### DOUBLE-DOUBLE BUNKS

Autumn Ridge's unique family friendly double double bunks, with a 600 lb. rating, offer a family friendly space for relaxation (select models).

#### OUTDOOR KITCHEN

Be part of the action with our outdoor kitchen (select models) featuring a sink, Coleman grill, refrigerator and storage.

#### STARMAXX PASS-THRU STORAGE

Starmaxx pass thru, lighted storage, complete with tool hooks, allows convenient access to your gear from both sides of your unit.

#### PULL-OUT LAUNDRY BASKET

Innovative storage solutions, like a pull out laundry basket, save space while providing more storage.

#### INTEGRATED SPICE RACK

A spice rack, integrated into the kitchen valance, creates space saving convenience.

#### DURABLE CONSTRUCTION

Our cabinets are hand made with hardwood stiles and screwed construction for increased durability and longer cabinet life.

#### 22" LED FLAT SCREEN TV

The optional 22" bedroom TV features an inside/outside bracket that allows you to move the entertainment outdoors to the exterior TV prep.

#### DARK-TINTED WINDOWS

Enjoy your privacy with dark tinted, safety glass windows (standard), while thermal pane windows (optional) help efficiently maintain inside temperatures.

**UNLOADED VEHICLE WEIGHT (UVW):** Sometimes referred to as "Dry Weight," UVW means the typical weight of this trailer as built at the factory. The UVW, as used in product literature and other promotional materials, does not include cargo, fresh water, propane, options or dealer-installed accessories. The weights of certain options and/or option packages are not included in the UVW listed above. **GROSS VEHICLE WEIGHT RATING (GVWR):** GVWR means the maximum permissible weight of the trailer, including the UVW plus passengers, personal items, all cargo, fluids, options, and dealer-installed accessories. The GVWR is equal to or greater than the sum of the UVW and the CCC. **CARGO CARRYING CAPACITY (CCC):** CCC

means the maximum weight of all passengers, personal items, food, fresh water, propane, tools, other cargo and dealer-installed accessories that can be carried by the trailer. CCC is equal to or less than GVWR minus UVW. The addition of options will decrease the CCC. **HITCH WEIGHT (HW):** The hitch weight, as used in product literature and other promotional materials, does not include cargo, fresh water, propane gas, options or dealer-installed accessories. The addition of these types of items will either add to or subtract from the stated hitch weight. It is important for your safety and enjoyment that your tow vehicle be adequately sized and equipped to tow and handle the GVWR of the RV you select. Review weights and rating

of your tow vehicle and consult a competent advisor for questions or advice. Whether you are new to RVing or a veteran, get a feel for the performance of your tow vehicle and the RV together before heading out on the roadways. When you tow an RV, you must drive differently than you do when driving a single vehicle. Practice hooking up, driving, backing up and braking in a safe environment or seek out professional instruction. Starcraft affixes a weight label to each RV which lists weight information for that vehicle. See specification chart above.

## SIMPLY THE BEST CONSTRUCTION

At Starcraft, we've built a strong reputation for making reliable, durable campers for almost 50 years. We use only the highest-quality materials and state-of-the-art production techniques. **It's this devotion to durability that has helped our company become a recognized manufacturer with a full lineup of affordable towables.**

In short, the last thing you have to worry about when you're camping is your camper.

### eco advantage™

The Starcraft EcoAdvantage is our company's commitment to protecting the environment. Scan this QR code with your smartphone to watch a video about our efforts and the impact we're making on our planet.

### DURABLE CONSTRUCTION

Autumn Ridge's firm foundation is built on 2" x 3" floor joists with 5/8" tongue-and-groove plywood with R-7 fiberglass insulation. The walls provide a long-lasting structure with 2" x 2" wooden studs on 16" centers, .024 aluminum exterior siding and R-7 fiberglass insulation. A one-piece seamless rubber roof membrane covers 4 1/2" arched trusses, 3/8" decking and R-7 fiberglass insulation, providing protection from the elements.

### EXTENDED CAMPING

Our optional Arctic Package extends your camping season and provides protection against frigid temperatures with its insulated, heated and enclosed underbelly. For additional protection, the optional full-foil wrap boosts your R-values to R-24 in the floor, R-19 in the walls and R-22 in the roof.

### Warranty

Each Starcraft is warranted to the original purchaser for twelve (12) months from the original date of purchase against defects in materials and workmanship. For a copy of the limited warranty with full terms and conditions, ask your local Starcraft dealer.

### Roadside Assistance

Travel worry-free with the complimentary Good Sam Roadside Assistance program, which gives you immediate access to dependable roadside assistance with a simple phone call.

### The Value of Your Local Starcraft Dealer

Establishing a solid relationship with your local Starcraft dealer is a key component in the enjoyment of your new Starcraft. By purchasing from a local dealer, you will have a convenient location for sales, parts and service support.
