PATHFINDER ELITE

PATHFINDER ELITE
CLASS A DIESEL PUSHER MOTORHOME

AFFORDABLE LUXURY

Looking for a Diesel Pusher that is as sophisticated as you? Designed to the discriminating specifications of motorhome enthusiasts, the Sportscoach Pathfinder provides a perfect blend of luxury, functionality, practical innovations, comfort, eye appeal, reliability and value.

The Pathfinder comes standard on a Freightliner raised rail chassis and is fully powered by a 400 HP Cummins ISL rear diesel engine with Allison six-speed automatic transmission to get you where you're going safely.

Inside you will find smart floorplan designs accentuated with high-end residential appointments such as Corian™ countertops throughout, high-gloss ceramic tile floors, optional Residential Hardwood Package with dovetail drawer construction, comfortable designer furniture and a host of eye catching appointments and user friendly features.

Model 406QS shown.

ENTERTAIN IN STYLE

The superbly-equipped luxury kitchen features solid surface Corian countertops, sink covers and stove covers, and optional 20 cu. ft. residential stainless steel refrigerator and convection microwave oven. The convenient under-cooktop storage area keeps cookware out of sight while not in use.

This high-end kitchen also comes with raised panel cabinetry, fully extending ball bearing drawer guides and stainless steel sink with premium pull-out faucet.

THE REAL DEAL

The Hardwood Package is more than just cabinet fronts. Sportscoach uses 3/4" solid Maple Hardwood face frames and furniture-grade Maple veneer plywood. All interior door frames are made from 1-3/8" solid hard wood. The center panels are 1/2" Maple veneer plywood. All cabinet doors are solid wood and the center panels are 3/4" thick with a back-cut profile with rubber space balls for expansion and to insure quietness upon movement.

Drawer boxes are made from 1/2" Russian Birch void free.

We use dovetail joints on all of our drawers and they are the most dependable and strongest joint used in today's industry.

All trim, valances, fascia, pocket doors and wardrobe doors are solid hardwood, hand sanded and finished.

Model 404RB shown this page.

Model 404RB shown this page.

INTERIOR BY DESIGN

Pathfinder's spacious, designer-inspired interior reflects your bold, contemporary and successful side. With luxuries like high 7-foot ceilings, oversized windows and an all-tile entry, Pathfinder delivers feature after feature you won't find with competing brands.

Everything about the interior is designed with quality attention to detail including the upgraded sofa seating, hardwood valences, integrated cup holders, space utilization for storage and high-end decorator accents throughout!

MCD power front privacy shade and sun screens with manual side privacy shade and sun screens are standard in the cockpit and allow excellent visibility while blocking the sun from your eyes.

SLEEP LIKE ROYALTY

Enjoy a peaceful night's sleep wherever you are on a king size bed with pillowtop mattress (available on 404RB and 406QS). Premium fabrics and a large mirrored wardrobe give the bedroom the look and feel of an elegant master suite. With abundant storage in the bedroom, you'll find a place for almost anything. Access even more by raising the 32" LCD TV, built into the overhead cabinet door.

BATHE YOURSELF IN LUXURY

Reminiscent of upscale homes, the bathroom features a china toilet, spacious one-piece fiberglass shower with seat and textured glass enclosure, large vanity mirror with lights and premium faucets and hardware. Natural sunlight fills the room through the skylight overhead. The Corian countertop features an integrated sink accented with a ceramic tile backsplash to enhance the residential feel. The laundry closet comes ready for an optional stackable washer/dryer to enjoy at-home conveniences.

It's luxury on the road with the Pathfinder Elite.

Also included is towing, fuel delivery, jump starts, lockout service, tire changes, mobile mechanic and unlimited technical assistance. Anywhere. Anytime. Travel Easy™ is the security of knowing that help is an easy phone call away.

Your Sportscoach Dealer

GVWR (Gross Vehicle Weight Rating): The maximum permissible weight of the unit, including the unloaded vehicle weight (UVW) plus all fluids, cargo, optional equipment and accessories. For safety and product performance, do not exceed the GVWR.

GCWR (Gross Combined Weight Rating): The maximum total weight of the loaded unit, plus a tow vehicle. This includes the weight of both the unit and tow vehicle, fuel for each, all other fluids, cargo, occupants, optional equipment and accessories.

Important Note: All capacities are approximate, and all dimensions are nominal. Sportscoach motorhomes are designed to allow for a wide variety of uses, extended trips with two people or short trips with multiple people. Accordingly, each unit allows ample room for sleeping, seating, fluids and cargo. While the customer is the beneficiary of this design, the customer also bears the responsibility to select the proper combination of passengers, cargo, load, and tow vehicle without exceeding the chassis weight capabilities. Consumer may need additional braking capacity to tow loads greater than 1,000 pounds.

Seat belts should always be worn for passenger safety. Seat belts are provided at most locations to allow convenience in selecting which seat to occupy. However, it is not intended that all seating positions equipped with a seat belt may be occupied while the vehicle is in motion, without regard to other weight factors.

All Sportscoach motorhomes are designed to ensure that the number of passengers allowed while the vehicle is in motion will always at least equal the stated sleeping capacity. Though extra seat belts may be provided, for your safety and the proper operation of your vehicle, limit your passengers to the number allowed by the Net Carrying Capacity of your vehicle.

Forest River, Inc. encourages our customers to purchase their Forest River products from a local dealership whenever possible for the following reasons:

- 1) Forest River, Inc. dealers are independently owned and operated businesses so priority service and scheduling is at their discretion and is often provided to customers that purchased their unit at that dealership.
- 2) Purchasing locally allows customers to establish meaningful relationships with a dealer, enhancing the RV experience through assistance with product questions, user tips or RV regulations for your state or country, and much more!
- 3) Canadian customers must meet requirements to bring an RV purchased out of the country to their home. These requirements may involve additional inspections and certifications, taxes and fees. Your local Canadian Dealer is a professional at meeting these requirements.
- 4) Scheduling timely warranty repairs and adjustments through a local dealership provides far greater flexibility and convenience to you, the customer!

It is the goal of Forest River, Inc. that all of our RV owners fully enjoy the RV experience and that customer satisfaction meets or exceeds their expectations!
