TIFFIN
MOTORHOMES

2015 ALLEGRO

Start something special.

GET TO KNOW THE MODEL THAT PUT US ON THE MAP.

After four decades in production and counting, the Tiffin Allegro is still making history. Our flagship model remains a bona fide crowd-pleaser, impressing legions of owners and RV customers across North America. And for good reason. In addition to its affordability, the Allegro continually surpasses the industry average in design, reliability, quality, warranty, and parts support. It also scores high in comfort, offering many family-friendly options, from bunk beds to residential-sized refrigerators. Come aboard and see why the Allegro has been a part of so many lives for so long.

RIDE

Answer the call of the open road.

First-time RV drivers and seasoned road warriors alike will navigate every mile with confidence behind the wheel of the 2015 Tiffin Allegro. Handling is refined and responsive, courtesy of a Ford 22K chassis (with 24K on models 34' and up), a larger and more substantial chassis than on similar-sized models. In the cockpit, crystal-clear displays and logical controls please the eye and reward the touch, while tilt steering adjusts for a picture-perfect view through the seamless windshield.

PERFORMANCE

Under the Allegro's hood, the numbers speak for themselves — 6.8-liter engine, 10 cylinder, 362 horsepower, and 457 lb of torque. This capable coach can tow up to 5,000 lb, welcoming your car or boat along for the ride. TorqShift 5-speed automatic transmission takes inclines in stride, with plenty of power to spare.

COMMAND

When wheels are turning, the best seats in the house are the easy-riding power captain's chair and passenger seat, both steel-bolted to the chassis for maximum stability. An optional driver's side door with power window is a handy convenience for quick stops.

NAVIGATION

Where do you want to go? The Allegro has the technology to help you arrive on schedule, no matter how far you travel. High-definition color monitors and integrated rearview and sideview cameras keep you aware of what's around you, while an optional in-dash navigation system keeps you informed of what lies ahead.

FLOOR PLANS

With so many thoughtful features, our floor plans are now called MORE plans.

The design of every Tiffin floor plan must meet four essential criteria:

Maximum space.

Optimal organization.

Relaxation plus.

Elegant atmosphere.

Together, they add up to offer your family the most comfortable and convenient layout for life on the road.

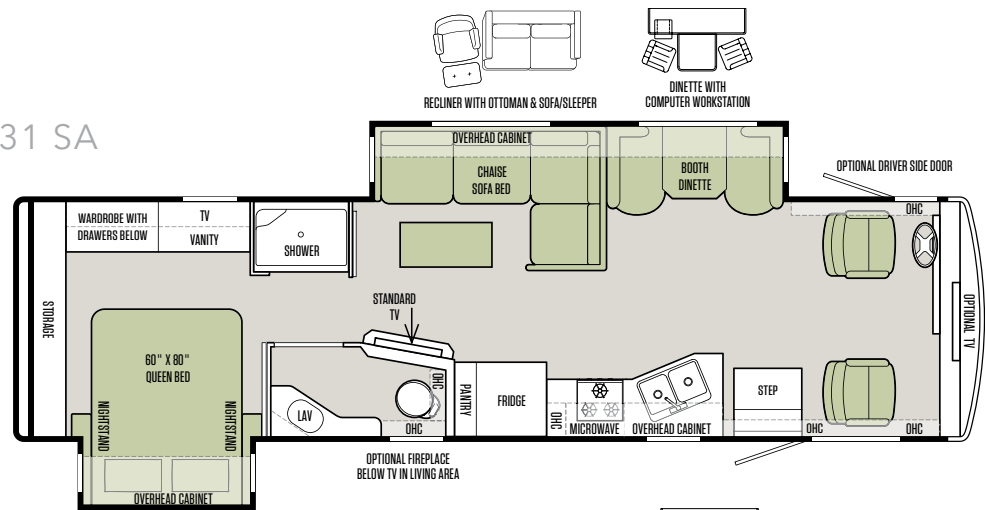

TIFFIN INNOVATION: EXTRAORDINAIRE™ AC SYSTEM

The interior ambiance in your Tiffin coach is enhanced by a state-of-the-art heating and cooling method, developed by Tiffin engineers for exclusive use in our luxury coaches. Modeled on residential-style systems, it uses adjustable registers and return vents placed the length of the ceiling to keep the airflow moving in a circular pattern to maintain your desired interior temperature. Whisper quiet and incredibly efficient, it easily lives up to its name — Extraordinaire.

LIVE

Some things never go out of style.
Like having style.

Customer feedback is an essential part of the Tiffin design process, and the 2015 Allegro lets you reap the benefits of 43 years of owners' suggestions. Every aspect of this stylish model has been road-tested and family-approved, resulting in floor plans that maximize every square inch and options to suit every want and need. Storage, always a top concern, is capably conquered with an army of cabinets and drawers lining interior walls and up to 203 cubic feet of lockable space underneath.

COMFORT

Tiffin's legendary attention to detail is evident everywhere, from hand-laid floor tiles and hardwood built-in cabinetry to new USB ports and state-of-the-art electronics. Power up to three HD flat-screen TVs and surround sound system with the Allegro's 50 Amp service and standard 5.5 kw generator with optional 7.0 kw upgrade.

CHARM

With 7' ceilings and floor plans up to 36', the Allegro's living areas are as spacious as they are comfortable. An optional fireplace creates a cozy ambiance, especially when custom-made solar and privacy shades are lowered, standard features on every window. For a brighter outlook, flip a switch to illuminate energy-efficient LED lighting throughout the coach.

DINE

No matter where you go, you'll never go hungry.

The Allegro kitchen is ready for whatever you can dish out, from quick suppers for two to festive family feasts. Standard features read like a list of upgrades in competitors' models: double-bowl stainless steel sink, three-burner cooktop with oven, two-door refrigerator with pantry, built-in microwave, and solid surface countertops. For more luxury, opt for a sophisticated mosaic tile backsplash, wood panels for fridge doors or the ultimate family-friendly feature — a residential refrigerator.

KITCHEN HELPERS

There's more to this galley than meets the eye. Insulation around sinks keeps water hotter for dishwashing. Cabinet doors open to reveal extra-deep adjustable shelves. Drawers slide completely open for more storage. Custom covers for sinks and cooktop create extra counter space, and a carpeted compartment under the sink keeps pots and pans from rattling when the coach is in motion.

HOUSEHOLD MAINTENANCE

The RV lifestyle is a celebration of freedom, and the Allegro's easy-to-clean surfaces keep your schedule virtually free of household chores. Fabrics are protected for stain resistance. Sinks are equipped with a spray rinser. Solid-surface countertops and scuff-resistant tile floors require minimal upkeep. For more simplicity, add an optional central vacuum system.

TIFFIN STORE-IT-ALL™ ASSURANCE

The 2015 Allegro offers Store-It-All Assurance, Tiffin's desire to exceed competitors in storage capacity, a needed commodity in any kitchen. Deeper than industry standards, our cabinets feature adjustable shelving and sliding compartments for better organization. Drawers are outfitted with full extension metal slides to pull completely open. All kitchen cabinetry is handcrafted from solid unblemished hardwood and features Tiffin's trademark fit-and-finish detailing.

REST

Where material comfort meets inner peace.

Hotel rooms will seem like a bad dream when you're tucked into the 2015 Allegro's luxury bedroom suite. From top to bottom, this room is designed for relaxation. Bedside windows open to draw in gentle breezes. Insulated roof and padded walls block noise, while solar and privacy shades remove other distractions. Clothes and clutter are hidden, neatly contained in over-the-bed cabinets, bedside tables, and an under-bed compartment. Center stage, there is an ultra-comfy innerspring queen mattress to encourage sweet dreams.

SLEEPING

The 2015 Allegro sleeps up to six comfortably. At day's end, cozy sofas pull out into full beds, transforming the living area into a sleeping zone. An optional bunk bed compartment, always a kid-friendly favorite, is extra fun when paired with optional drop-down DVD monitors.

BATHING

Behold your sanctuary, the Allegro's private bath. An in-house water filtration system delivers clean water for cleaning up, whether enjoying a quick rinse in the spacious shower stall or a long soak in the optional tub. Like the rest of the Allegro, there's a place for everything, with medicine cabinet, towel racks, and extra-deep cabinets.

INTERIOR DÉCOR

Ready to personalize your coach? Our sophisticated color palettes — available in Camomile, Caramel , and Linen — lend a professional decorator's touch to family living spaces, as well as beautifully complement your personal style. As in all Tiffin coaches, solid-surface countertops feature a smooth finish and earthy colors. To add excitement, opt for a mosaic tile pattern for backsplashes, new this year. Hardwood cabinetry, built by hand in our Red Bay mill, comes in three classic finishes: Medium Alderwood, English Chestnut and Glazed Cordovan. For larger images of interior design options, visit tiffinmotorhomes.com.

WARRANTY

You won't find a better warranty because you won't find a better-built coach.

The Tiffin Five-Star Warranty.
The best in the business, bar none.

At Tiffin Motorhomes, we build for quality first and foremost, limiting our production to just 12 coaches a day to ensure meticulous craftsmanship. It may not be the most business-savvy way to run a company but it is the best way. By investing the time and effort to do things right, we want you, as a Tiffin owner, to have the utmost confidence in your coach, as well as a peace of mind you won't find with other manufacturers. You see, not only do we stand proudly behind our product, we stand behind you as well.

★ 10

YEAR
CONSTRUCTION
WARRANTY

The structural integrity of the welded frame of entire coach is warranted for 10 years.

A family business built around yours.

Tiffin Motorhomes is proud to be one of the few family-owned manufacturers in the industry, and it makes a significant difference in how our company operates versus our competitors. For starters, with the Tiffin name on every coach, building a superior motorhome isn't just our occupation. It's a matter of personal pride, a pursuit we have committed our lives to perfecting.

Since we don't have shareholders looking over our shoulder, the only people we focus on making happy are folks like you. All the decisions we make, from using better parts to offering more thoughtful floor plans than anyone else, are based on what will result in a better motorhome, not a better dividend check. In fact, some decisions, like limiting production to 12 coaches a day to ensure quality craftsmanship, probably wouldn't sit too well with a corporate board of directors.

Also, when we say family-owned, that means family-operated, too. Tim Tiffin has been our General Manager for more than a decade, guiding the overall direction of our company. Van Tiffin oversees innovations as head of Research & Development, and Lex Tiffin's work with Supplier Relations helps us maintain our high standards. Of course, everyone knows our founder Bob, who is in the RV Industry Association's Hall of Fame and is still the first one at the plant every morning at 5:00 a.m.

As a family running a motorhome company, we understand families who own motorhomes. We know it's not just about where a coach will take you, but the experience you take from the journey. That's why every Tiffin motorhome is made to move you.
