

Tour

WINNEBAGOTM

Why Tour?

- Unmatched performance of the exclusive Maxum Chassis®
- Flexsteel® luxury cab seats with heat/massage
- New multi-plex wiring system
- Aqua-Hot® zone heating, engine pre-heat, and continuous hot water
- LED lighting
- Stainless steel appliances
- MCD solar/blackout roller shades
- Polished porcelain tile floors
- Exterior entertainment center with HDTV, soundbar, and wireless subwoofer

On the Cover: 42QD Pearl Full-Body Paint

42HD Angora with Coffee-Glazed Honey Cherry Cabinetry

Take a Tour in Luxury

Behold the Tour®: A luxurious diesel-pusher built to surpass the most demanding expectations. Its underlying beauty begins with the Winnebago-exclusive Maxum Chassis® with lowered-rail construction, delivering a superior ride with unmatched exterior storage capacity. Grasp the power of the 450-hp Cummins® diesel engine in the Flexsteel® luxury six-way adjustable cab seats that come standard with a power footrest, heat and massage, and power lumbar support. The mid-coach galley features an island (pull-out 42QD, stationary 42HD) and a French door

refrigerator with a bottom freezer drawer, and the bedroom features a private master bath with a washer and dryer. The all-electric coach includes an induction range top. Magnificent interior elements such as Corian® countertops, porcelain tile flooring, LED lighting, and an electric fireplace add to the luxurious ambiance. When it comes to outdoor entertaining, an available pull-out Tailgate Package offers a single-burner induction range top, steel counter, lockable refrigerator/freezer, storage area, and cold water access. The Tour—say yes to sophisticated luxury.

Recognized Quality The Recreation Vehicle Dealer Association annually rates RV manufacturers and awards the Quality Circle Award to manufacturers that provide exceptional products, service, and support. Winnebago is proud to be the only manufacturer that has received this award every year since its inception.

Best in Class

See how Winnebago takes motorhome design and function to the next level, and why we've earned the right to be called the Most Recognized Name in Motorhomes.[®]

Click on this icon throughout the brochure to link to more information on the web.

Outdoor entertaining is easy with the **Available Tailgate Package** featuring a single-burner induction range top, stainless steel counter, refrigerator/freezer, and cold water access, bottle opener, paper towel holder, and garbage bag holder.

The **Entertainment Center** with a retractable HDTV (42HD) and electric fireplace provide warmth and entertainment for your friends and family.

Located throughout the coach, the **Multi-Plex Wall Switches** allow you to control the exterior and interior lights, HWH hydraulic jacks, slideout rooms, exterior service center, and more.

The **Rest Easy[®] Sofa (42HD)** glides from a sofa to a lounge to a bed at the touch of a button. Available ottomans offer additional storage and relaxation.

42HD Angora with Coffee-Glazed Honey Cherry Cabinetry

Lounging is an art when you relax in the Ultraleather[™] furniture including a Rest Easy[®] extendable sectional sofa (42QD) or a Rest Easy sofa (42HD), both with two available ottomans. Enjoy a host of luxurious and practical amenities such as MCD solar/blackout roller shades, TrueAir[®] maximum comfort air conditioning, porcelain tile flooring, and a Blu-ray[™] Home Theater System that you can simultaneously link to the multiple HDTVs throughout your Tour. Revel in lavish surroundings whether you're entertaining friends for a lively game night or simply spending time reading by the fireplace.

42HD Fireplace

42HD Glide & Dine Dining Table and Chairs

MCD Solar/Blackout Roller Shades

This full-featured galley carries the spirit of elegance with sophisticated amenities such as beautiful glazed cabinetry, Corian® solid-surface countertops with a matching backsplash and sink covers, and stainless steel appliances. Enjoy the practical workspace for all your culinary preparations supplied by the two-burner induction range top, French door refrigerator, microwave/convection oven, drawer-style dishwasher, and overhead slideout trays.

42HD Bedroom

Nothing gives you restful sleep like a powered king bed with the Ideal Rest® Natural Reserve digital comfort control mattress. Experience the comfort of natural bamboo and cotton fibers and a duo-firmness reversible insert, while adjusting each side of the bed to your ideal setting. You can even adjust the bed to your preferred position, so you'll enjoy maximum comfort whether reading a book or watching TV. With 30" bedroom slides, there is more room than ever before. Enjoy the comforts of twin wardrobes and a large, private master bath featuring the BIG Shower.

Dash

You'll appreciate the smooth ride of the Winnebago-exclusive Maxum Chassis® and the uniquely comfortable controls that make navigation so easy. Now you can take complete control over your entire experience with the fully-adjustable steering wheel, foot pedals, and six-way Flexsteel® Versa luxury cab seats that feature enhanced range of motion, a power footrest, heat and massage, and power lumbar support. The cab seats also feature a repositioned seat pedestal to provide ease in rotation while the new, larger coach windows make you feel one with the road. Drive with confidence with rearview and sideview cameras while you're guided by the Infotainment Center with its Rand McNally RV GPS. The standard SiriusXM™ satellite radio (subscription not included) delivers over 100 channels of digital entertainment no matter where you go.

Smart Wheel™

Flexsteel Luxury Cab Seats with Footrests

The Tour boasts quality comforts everywhere—especially with its stylish exterior. You will have plenty of storage room to bring the necessities as well as the extras. A large slideout storage tray comes standard and allows easy access to gear from both sides of the coach. Enhance your comfort with the window awnings which provide shade and keep rain away from your windows. With the exterior entertainment center, you can watch all of your favorite movies and shows on the larger HDTV, which features a soundbar, wireless subwoofer, and a swivel mount for optimal viewing. A service center is strategically color-coded for quick hookups and offers easy access to the freshwater system filter.

Fiberglass Roof

The crowned, one-piece fiberglass roof is backed by a 10-year limited parts-and-labor roof skin warranty.

Thermo-Panel® Sidewalls

By layering fiberglass and high-density block foam insulation with welded aluminum support structures, we create some of the industry's strongest, most durable and lightweight sidewalls.

E-Coating An electrodeposition coating helps protect critical steel components.

Embedded Steel Metal substructures embedded into the sidewall provide solid attachment points to keep cabinets and appliances mounted securely in place.

Laser-Cut Tubing Precision laser cutters create precise joints in structural steel that are stronger and require less welding.

Interlocking Joints Specially engineered interlocking joints connect the floor, sidewalls and roof where competitors often rely on simple screws to bear the weight.

Solid Framework Aluminum extruded in our own facility to our exacting standards creates an extremely strong and solid structural framework.

Steel Cab Structure Our innovative all-steel cab SuperStructure adds durability, strength, and safety.

**SUPER
STRUCTURE**

BUILT TO LAST

Every coach—from our smallest Class C to our largest diesel-pusher model—is built to Winnebago's® legendary SuperStructure® construction standards. It's a process developed and refined over more than 50 years of building some of the strongest, most durable coaches in the industry.

3-point engine mounting reduces engine vibration.

Engine compression brake uses the engine to slow the coach, promoting longer brake life.

15,000-lb. trailer hitch⁶

Allison® 3000 MH 6-speed automatic transmission includes a touchpad control for ease of use.

MAXUM[®] CHASSIS

ZF IFS front suspension and NeWay® rear air suspension provide superior ride and handling.

The lowered-rail design moves intrusive rails from storage areas, creating up to 196 cubic feet of storage.

A 60° wheel cut provides a tighter turning radius and better maneuvering.

Rear axle incorporates proprietary gear machining for a smoother, quieter ride.

Taller, pass-through storage height accommodates bulky items.

Extra space in critical areas allows for more pass-through storage.

"Clean Air Diesel" 450-hp ISL Cummins® engine delivers hill-climbing power when you need it most.

Low frame rails create a lower center of gravity, improving stability.

Winnebago's SuperStructure integrated with the lowered-rail design creates a chassis that is seven times stronger than typical raised-rail chassis designs.

Dual-fill 150-gal. fuel tank.

Color-coded air lines make service easy.

Michelin® tires and polished aluminum wheels look sharp.

4-wheel ABS anti-lock air brakes provide fast stopping power.

A True Work of Art

You may not be able to see the Maxum Chassis as you're driving through the Rockies, but you'll know it's there. Its powerful Cummins turbo-charged diesel engine and Allison® transmission go to work so you don't have to sweat the peaks and valleys ahead.

Through a strong partnership with Freightliner, the undisputed leader in diesel motorhome

chassis, we set a new standard for handling, ride and performance in diesel chassis design.

But performance doesn't mean sacrificing storage. The innovative lowered-rail design of the Maxum Chassis opens up a cavernous basement storage compartment, offering up to 196 cubic feet of storage.

TESTING

Before rolling out of our factories, every coach undergoes an extensive 113-point inspection. Each coach also passes a high-pressure water test that simulates rain at a rate of 50-inches per hour to check for leaks. During the design process, our computer simulations, physical testing center, and rigorous test track ensure each model is built to last.

DETAILS

At Winnebago, we treat the features you can't see with the same care as the ones you can. Look in the access panels of some of our competitors' coaches and you'll see loose insulation and wires haphazardly strewn about. Winnebago maintains a clean fit and finish throughout so your coach will last for the long haul.

BUILT IN-HOUSE

We extrude our own aluminum. We rotocast our own plastic components. In fact, we manufacture most of our own parts so they are designed to fit the space, rather than fitting the space to an awkward off-the-shelf component size.

**SUPER
STRUCTURE**

High-mount brake lamps

Warranty⁷

12-month/15,000-mile basic limited warranty⁸

36-month/36,000-mile limited warranty on structure⁸

10-year limited parts-and-labor warranty on roof skin⁸

FOOTNOTES

- 1 The height of each model is measured to the top of the tallest standard feature and is based on the curb weight of a typically equipped unit. The actual height of your vehicle may vary by several inches depending on chassis or equipment variations. Please contact your dealer for further information.
- 2 Floorplans feature a wide-body design - over 96." In making your purchase decision, you should be aware that some states restrict access on some or all state roads to 96" in body width. Before making your purchase decision, you should confirm the road usage laws in the states of interest to you.
- 3 The load capacity of your motorhome is designated by weight, not by volume, so you cannot necessarily use all available space when loading your motorhome.
- 4 Capacities are based on measurements prior to tank installation. Slight capacity variations can result due to installation applications.
- 5 Capacities shown are tank manufacturer's listed water capacity (W.C.). Actual filled LP capacity is 80% of listing due to overfilling prevention device on tank.
- 6 Actual towing capacity is dependent on your particular loading and towing circumstances which includes the GVWR, GAWR, and GCWR, as well as adequate trailer brakes. Please refer to the Operator's Manual of your vehicle for further towing information.
- 7 See separate chassis warranty.
- 8 See your dealer for complete warranty information.

Winnebago's continuing program of product improvement makes specifications, equipment, model availability, and prices subject to change without notice. Published content reflects the most current product information at time of printing. Please consult your dealer for individual vehicle features and specifications.

WINNEBAGO HAS A STORY AND WHAT A STORY IT IS

Looking Back

Take a Drive Down Memory Lane
Our favorite history topics in the American heartland of Forest City, Iowa, were here 100 years ago. Preserving and building high quality, open, lasting recreation vehicles, here's our story between the wheels.

1 of 18

Tell us your story

The story of Winnebago is about the people who love our products and take their wild enthusiasm on the road. Now we want to hear those stories—your stories. Please, do tell. We promise we'll read every word. All story submissions will receive a Crew T-shirt. Additional bonus: If your story is posted to the website, we'll send you a vintage-style Crew T-shirt. Read more about The Crew below.

WRITE YOUR STORY READ ALL ABOUT IT

Join the Crew

Show Your Pride
We're looking for a few good men and women on both wheels and four. We want everybody to join The Crew. If you love Winnebago motorhomes and want to show it, you're in! Submit your photos and photos to become part of The Crew.

See How Far We've Come

MOVE THE SLIDER TO SEE THE EVOLUTION

Then & Now

The Crew is Back
In the 1950s, when the first motorhome was built, it was a simple box on wheels. Today, it's a fully equipped mobile home. See how far we've come.
