

MONACO[®]

DRIVING YOUR DREAM.

2006 SIGNATURE SERIES

**EPIC LUXURY. LYRICAL STYLING.
DRAMATIC PERFORMANCE. THIS IS POETRY IN MOTION.**

Beyond every wow — beyond every ooh and ah — there is the wordless admiration you save for those rare occasions when you've seen the very best there is. In the world of luxury diesel motorcoaches, this is it. The Signature Series. Yes, it inspires awe. Who knows, it could even inspire you to write a sonnet.

You'll marvel at the spacious interior which is beautifully enhanced by the unique radius ceiling design with Imagicor accent. The floors gleam with high gloss tile, and optional sculptured carpet adds a graceful flourish in the living area.

Power Silhouette® shades raise and lower at the touch of a button.

Throughout the coach you'll enjoy Corian® surfaces and the impeccable ambience of halogen lighting.

- 1 Luxury comes standard on this plush fabric J-lounge with drawer. The matching ottoman also offers generous storage space for games, blankets and other carry-alongs.

(45 Castle IV, Natural Cherry, Tropic Wine)

- 2 The woodwork reflects Monaco's singular craftsmanship, with hardwood raised panel cabinet doors and decorative hardwood slide-out fascia.

(45 Castle IV, Natural Cherry, Tropic Wine)

◆◆ PANAVIEW™

1 - PIECE WINDSHIELD

Our exclusive Panaview™ 1-piece windshield gives you the largest unobstructed view of the road ahead. The wipers are discreetly mounted below your sightline, and the side pillars are more slender, for a wraparound effect. Also conveniently mounted on the front cap are the triple head, heated chrome mirrors with security cameras and turn indicator lights.

EVEN THE HIGH TECHNOLOGY IS A HIGHER ART FORM.

In the Signature Series, even the bells and whistles are elegant. As you take control of 500, or even 600 horsepower, you'll have every imaginable advanced system at your fingertips. From GPS navigation to Eaton® VORAD® collision avoidance to the Aladdin™ video coach monitoring, you'll have a heightened perception of every aspect of the coach's performance.

With a Sirius or XM satellite radio, countless varieties of music, news and sports programming will follow you across the country (requires subscription).

We've pulled out all the stops for your entertainment, with a 37" LCD TV mounted in the ceiling, a fully automatic digital satellite system and a Bose® system with DVD player and recessed surround sound speakers.

1 Supreme comfort awaits you in the leather heated cockpit seats with six-way power controls, adjustable armrests and electric headrests. The pilot's seat features an electric sliding seat cushion and memory capabilities, while the co-pilot's has an electric footrest. (45 Castle IV, Natural Cherry, Tropic Wine)

IN HERE, YOU'LL FORGET YOU'RE ON WHEELS.

In the luxurious private quarters, we've fashioned every possible detail with residential styling. A bedroom dresser with raised panel drawer faces. A large wardrobe closet. And stunning window treatments with Duette® shades.

A queen island bed with a hinged pillow top mattress is a standard feature, or you may choose the optional king size version. To give you precision control of your bed's firmness, we offer an optional air mattress with digital remote, in either queen or king size.

Naturally, the bedroom also features a remarkable entertainment center, with a 22" LCD TV, a DVD player and a second receiver for the digital satellite system. You'll also enjoy the combination clock radio/stereo/MP3 CD player.

1 The beautiful bathroom vanity has a Corian® top with a stylish, integrated sink and ceramic tile backsplash. You'll also appreciate the large Corian® shower with ceramic tile accents, a caddy, and a shower head with volume control.

(45 Castle IV, Natural Cherry, Tropic Wine)

ROADMASTER S-SERIES SEMI-MONOCOQUE CHASSIS

A 10,000 lb. hitch receiver offers powerful towing capacity with 7/4-way trailer plug.

B The three-point engine mounting system lowers the coach's center of gravity and reduces the amount of vibration that reaches the coach. The mounting also makes the engine easier to service by allowing the engine to be easily lowered through the bottom of the coach.

C Cummins® ISM 500 HP engine. The highest power-to-weight ratio in its class and patented Variable Geometry Turbocharger (VG Turbo) give you peak performance at every RPM. For added power, you can choose the optional Series 60 Detroit Diesel 515 engine, Cummins® ISX 525, or Cummins® ISX 600.

D Allison® 4000 MH 6-speed transmission for smooth shifting; our exclusive use of synthetic transmission fluid allows for up to three-year maintenance intervals.

E Cushion Air Glide suspension system positions ten Bilstein® shocks and ten air bags, eight of which are outboard mounted with auto-leveling for greater stability, a smoother ride and the best handling in its class.

Unique three-degree rear axle tilt aligns the engine, transmission and differential, minimizing stress on the drive-train and reducing noise in the coach.

Automatic Traction Control (ATC) eliminates wheel slippage in slick conditions and heightens control.

Tag axle lifts for added maneuverability in tight spots.

F Basement structure rust inhibitor. To prevent corrosion, the basement storage area is constructed with pre-primed steel with rust-inhibiting paint.

G Full-length frame rails fabricated from 3" by 8" by 1/4" 60,000 PSI structural steel; rails are spaced 44" on center for a wider stance and unmatched strength.

H The semi-monocoque design, with trussed superstructure, distributes stress evenly throughout the entire chassis and adds strength to sidewalls and bays.

I Two-stage Jake brake system assures you of safely traveling steep grades while 6-wheel anti-lock brakes with disc brakes in front help you maintain control in severe road conditions.

J P295/80R/22.5 Goodyear steel belted all-season tires ensure a safe and quiet ride (G670 RV tire).

K The truss power steering box allows for a 50-degree front wheel turn angle in both directions for better maneuverability and returns the steering wheel back to its center position to eliminate driver fatigue.

L All chassis are equipped with steel cage construction, steel firewall and steel stepwell for added safety.

OUTBOARD AIR BAG SUSPENSION

The outboard-mounted air bags are protected by two steel plates and are placed approximately 7-1/2 feet apart, providing a wider and more stable platform for the coach. The active suspension automatically adjusts the pressure of the air bags as you drive and virtually eliminates nose-diving and the side-to-side body sway associated with high wind conditions, curvy roads and emergency maneuvers.

5-LAYER FLOORING: (top to bottom)

- Tile, or 1/2" carpet pad and carpeting
- OSB flooring
- Decibel paper
- OSB flooring
- Waterproof Darco underbelly

LAMINATED GEL COAT FIBERGLASS SIDEWALLS: (left to right)

- Gel coat fiberglass outer wall
- Luaun paneling
- R 7.5 closed cel foam seals every nook and crevice
- Heavy-gauge tubular steel and 4" sheet metal backers
- Luaun paneling; walls are Vac-U-Bonded together
- Decorative wall coverings

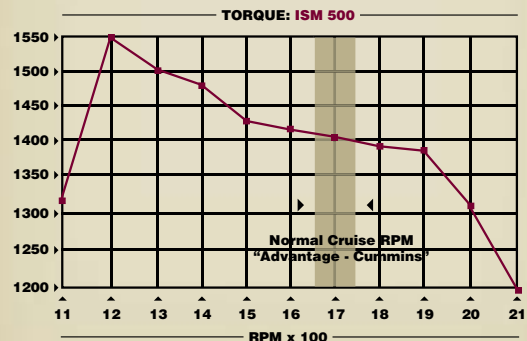

ALL SEASON FOAM INSULATED ROOF: (top to bottom)

- One-piece 1/4" thick fiberglass roof, crowned for water runoff and seamlessly joined with front and rear end caps; non-skid walkways for added convenience
- Vapor barrier
- 3-1/2" tapered bead foam supports the crowned roof; the center tunnel houses wiring and air conditioner ducts
- 1/4" marine grade plywood sheeting
- Tubular steel framework
- R 7.5 closed cel foam seals every nook and crevice
- Luaun and vinyl paneling are Vac-U-Bonded
- Sound-absorbing, easy-to-clean padded vinyl interior headliner

OUR PHILOSOPHY: DO ONE THING,
AND DO IT BETTER THAN ANYONE.

The quality of your coach all starts with the chassis on which it's built. Everything from safety and reliability to performance and convenience begins with the chassis you're driving. A division of Monaco Coach Corporation, Roadmaster is the leading high-end diesel chassis manufacturer — because that's all we do. Yes, we have a 100% commitment to producing only chassis for motorhomes. And that's something no other chassis manufacturer can say.

The Signature Series's standard Cummins® ISM 500 HP engine delivers more torque and horsepower when you need it most – for the mountain pass or the passing lane.

**EVERY SWITCH, EVERY LATCH,
EVERY HANDLE CLICKS WITH PRECISION.**

With the Signature Series, Monaco leads the industry to new levels of engineering. Even the less-than-glamorous details remind you of a high performance sports car. We invite you to take a closer look at all the elements of the ultimate motorcoach experience.

Our deluxe full-body paint process gives the coach a rich luster and superior durability. A 3M film front mask comes standard, for additional protection on the road.

A seamless one-piece molded, crowned fiberglass roof offers unbeatable strength and features all-season foam insulation.

Even the chores go more smoothly, thanks to the Super Service Center with hot and cold water faucet, a power water hose reel and the optional RV Sani-Con tank drainage system.

- 1 You'll enjoy the added convenience and security of a keyless entry system with pocket remote. *(45 Castle IV, Tropic Wine)*
- 2 Thanks to the slide-out trays, there's no need to stretch or strain to reach your items stowed in the large basement storage compartments. *(45 Castle IV, Tropic Wine)*

**AN IDEA SO SIMPLE,
IT'S AHEAD OF ITS TIME.**

Monaco Coach is proud to be among the first to offer sophisticated Multiplex wiring. This state-of-the-art system utilizes computer technology to streamline the wiring and connect many of the coach's electronic features. This illustration explains how it works, but all you really need to know is that you're going to love the convenience.

BAGGAGE DOORS

The insulated aluminum baggage doors feature the convenience of power locks.

AWNINGS

The full complement of awnings features a roof-mounted Girard® automatic front patio awning. An automatic rear patio awning is just one of the attractive options.

SLIDE-OUTS

You can count on Monaco for the most reliable slide-out construction, with our exclusive interlocking aluminum frame design and multi-layer insulation.

The 2006 Signature Series is available in a remarkable selection of innovative floorplans ranging from 40' to 45', with triple and quad slide-outs. No matter which one you choose, you'll enjoy more livable interior space and more easy-to-reach storage than any other manufacturer has to offer.

 TILE  CARPET

Furniture Options:

- King Island Bed with Pillowtop Hinged Mattress
- Roadside: Glider Recliner with Ottoman

- 1 Towing capacity is limited by GCWR; your vehicle's towing capacity is the difference between the GCWR and the actual vehicle weight, including all water, fuel, passengers and cargo. Your towed vehicle should be equipped with auxiliary brakes if the weight of the towed vehicle exceeds 1,000 lbs. Consult your owner's manual for further towing information.
- 2 All tank capacities are estimated based upon calculations provided by the tank manufacturers and represent approximate capacities. The actual "usable capacity" may be greater or less than the estimated capacities based upon fabrication and installation of the tanks.
- 3 Actual filled LP capacity is 80% of listing due to safety shut-off required on tank.

The actual overall length of the recreational vehicle may differ from that indicated in the brochure due to variances in the manufacturing process and/or installed components. The actual length may be greater or less than that indicated. Due to the large variety of options and floorplan arrangements available to our customers, actual weights for each unit can differ significantly. Monaco Coach provides a weight sticker on each unit we produce which includes that unit's tank capacities and approximate weight. Consult your local Monaco Coach dealer for unit availability and further information. The information printed in this brochure reflects product design, fabrication, and component parts at the date of printing. The manufacturer reserves the right, at any time, to make changes in product design or material or component specifications as its sole option, without notice. This includes the substitution of components of a different brand or trade name which will result in comparable performance. All information printed in this brochure is subject to change after the date of printing. Some features shown or mentioned in this brochure are optional and may only be available in selected floorplans. Photographs may show props or decorations that are not standard equipment on Monaco Coach models. Monaco Coach, the Monaco logo and its design, are registered trademarks. All other products and company names are trademarks and/or registered trademarks of their respective holders. While the color of the motorhome's exterior and the interior fabrics depicted in this sales brochure are fair and reasonable depictions, the colors depicted may not be an exact match of the actual colors because of the variances in photo-processing and variances caused by inserting the photographs within the sales brochure. Due to product improvements, changes during the model year and/or transcription errors that may occur, information represented within this brochure may not be accurate at the time of your purchase. If certain information is significant to your purchasing decision, please confirm the information with your dealer prior to submitting your order. Component part and appliance manufacturers issue limited warranties covering those portions of the recreational vehicle not covered by the Limited Warranties issued by Monaco Coach Corporation. To learn which specific component parts and appliances are excluded from the Limited Warranties issued by Monaco Coach Corporation, please contact your selling dealership or Monaco Coach Corporation directly, or review the warranty packet inside the recreational vehicle.

WARRANTIES

12 month/24,000 mile
basic limited warranty

5 year/50,000 mile
limited warranty on aluminum or steel frame
structure of sidewall, roof, front and rear cap

3 year/36,000 mile
limited warranty on Roadmaster chassis

Applies to certain models. See owner's manual for complete details.

THERE'S STRENGTH IN OUR NUMBERS.

As you consider your RV purchase, there's one thing we'd like you to keep in mind: Nobody does customer service like Monaco. Period. Our staff is available 24/7/365 to help you with virtually any situation that may arise — with troubleshooting, operational instruction or facilitating repairs at the nearest of our 350 nationwide service centers. In addition, you'll be enrolled in our Owner Advantage Roadside Assistance Program free of charge for your first year of ownership — providing additional emergency assistance, including towing, tire repairs and many more services around the clock. In short, when you purchase an RV from Monaco Coach Corporation, you get a wider array of benefits than any other manufacturer can offer. To see it all for yourself, call 1-800-634-0855 or 1-800-650-7337 to arrange a tour of one of our state-of-the-art production facilities in Oregon or Indiana.
