## Liberty Chassis

In true American Coach Fashion, American Coach set out to design a superior, one-of-a-kind chassis that would be able to overcome the structural challenges created by designing floor plans with triple and quad slide-outs. The result: The Liberty Chassis. This exclusive American Coach design (patent pending) strengthens the structural integrity of the driving platform by creating a strong and rigid frame that resists flexing and provides a comfortable and unforgettable driving experience.

- 1 **Huge 15,000 lbs. Towing Capacity.** Easily tows your favorite vehicle.
- 2 **Laminated Storage Liners.** Easy to maintain, neat, clean look, durable.
- 3 **E-Coated Structure.** Protects against corrosion. Enhances longevity, quality and reliability.
- 4 **All Steel Structure.** Minimizes flex, enhances driving experience, strength and longevity.
- 5 **Center-Mounted Fuel Tank.** Improved weight distribution.
- 6 **Independent Front Suspension.** Optimum handling, enhances driving experience.

Fleetwood® prototypes are exposed to thousands of miles of durability testing. Those components that don't survive are redesigned until they do. This sets our standard in safety and durability.

**Numerous floor plan choices.** American Coach offers a wide variety of floor plans including double, triple and quad slides. This provides many choices to accommodate each customer's distinct needs.

**Vacu-bond® Roof, Sidewalls and Floor.** The Vacu-bond® process adds a great deal of structural integrity by laminating the sidewalls, floors and roof into a strong composite structure. This construction method is considered superior when compared to most competitors.

**More Power.** Tradition comes equipped with a Cat® C9 with 400 HP engine with 1150 lb.-ft. of torque @ 1400 RPM. This gives you plenty of power to tour the country at any pace you like.

**The Pneumatic Entry Door Air Lock (optional).** Is a unique feature that minimizes air intrusion, and wind noise when you are on the go. Avionics® has designed a superior entry door for American Coach.

**Name Brand Components.** Spartan®, Sony®, Dupont®, Avionics®, Flexsteel®, Moen®, Onan®, Norcold® and Dometic® to name a few. We gather the best name brands in the industry to create a superior coach for you.
